Jesus and various saints This is the account of the revelation that God wishes to give the world through Christina an eloquent plea for the renewal of faith and the attainment of peace **My Vision of Hell** Pastor Sheila M. ummer,2019-05-02 My Vision of Hell A Sacrifice for Others to See is the title of my book It is about a dream that God gave to me in 1992 By the end of that same year I backslid and after a period of repentance in 1995 God gave me the order in which to write about it I was in such a struggle in starting to even write because regrettably I backslid again in 1996 I realized that this job was not for me And I knew that God had definitely got the wrong person to write for him It was in December 2003 when God audibly spoke in my ears I ve called imperfect people for perfect tasks and in me in him are great victories Then he said Write it down put it in a book and tell my people tell my churches that HELL IT IS REAL **In the Garden there was a New Tomb** Paul Creevey,2024-11-18 Paul Creevey considers the central question Can one simply assume that the story of the burial empty tomb and appearance narratives in John s Gospel are a literary unity There are many issues in coherence and cohesion that have led to a wide number of interpretations given to many different aspects of the text that is John 19 37 20 29 It is also widely recognized that John s retelling of these events are distinctive Creevey analyses the text of John 19 37 20 29 showing that the Johannine Evangelist has created a two part tripartite defense of two central aspects of Christian faith the case for the empty tomb and the case for the appearance narratives Using internal literary evidence as well as external evidence from the earliest extant manuscripts he argues that this text has been created to show that the testimony and witness of those first disciples is true and is the basis of any future Christian belief This work addresses all the issues in the apparent lack of cohesion and coherence in the text to show that each part of the text is connected to an overall defense of belief in these two central aspects of faith Finally what is at the heart of these two events is the need to accept that it is the relationship that one has to Jesus and the Father that is central to acceptance of this narrative as an inspired narrative that offers hope for all people From Medieval Pilgrimage to Religious Tourism William H.
