Hater, 2006 Father Robert Hater strongly believes that story without basic belief lacks direction and basic belief without story is lifeless He illustrates this relationship between story and Catholic belief with sensitive and powerful narratives including the account of his own mother's death and its impact on him This is an invaluable resource for anyone involved in conveying the story of Jesus and the church pastors homilists catechetical leaders catechists and teachers parish ministers and families as well as all who wish to find God in their own stories **Tell Me a Story** Roger C.
