The Parables of Jesus Christ: Eric Brandon Roberts, 2012-07-11 The Parables of Jesus Christ A Brief Analysis is an in depth look at Christ s teachings through Parables Approximately one third of the words spoken by Christ in the New Testament come in the form of parables This book attempts to relate those parables for modern readers **Layman's (Laywoman's) Study of the Parables of Jesus Christ** Mary Bullock Carter, 2011-02-10 The Parables are indeed a good way to know Jesus on a more personal level By doing more than just reading them STUDYING THEM you can learn the thoughts that were close to His heart You can become more familiar with the things He thought were important You can realize that He not only expects you to walk in God s will but you will learn that He has told you how to do that He never expected you to live to a certain standard without telling you how to accomplish it All we have to do is study His word It is His promise that all things are possible even walking in His will **The Parables of Jesus** Richard Gribble, 1998 Narrative or story preaching has called attention to Jesus parables since many of those parables are stories Is there a preacher especially one who uses the lectionary who does not preach on a parable from time to time This book conducts an exegesis of scripture provides context for each passage suggests contemporary applications with questions that challenge and gives preachers sample openings for the composition of a sermon homily Richard Gribble CSC the author of six books and over 100 articles is an assistant professor of history at Stonehill College in North Easton Massachusetts He has earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley In 1995 he earned his Ph D from The Catholic University of America A Roman Catholic priest Gribble served at St John Vianney Parish in Goodyear Arizona from 1988 through 1991 Stations for Parables of Jesus Andrew Gamman, Caroline Bindon, 2014-07-03

Jesus told stories to give people insight to life under God's rule Stations for Parables of Jesus contains station ideas for every one of these parables of Jesus The station suggestions are made bearing in mind that those running church services week by week do not have endless resources of time or materials The ideas are simple and poignant and each parable has a short introduction to help understand its meaning and context By interaction at the station people of all ages will engage with the story in such a way as to be able to see the application to their own situations The study of parables therefore becomes an enriching and stimulating exercise for all twenty first century followers of Jesus The cataloging and cross referencing in the book will enable readers to easily locate the parable they wish to use and see if it occurs in more than one gospel The parables of Jesus (addresses). James Wells,1884 **Meet Me in the Morning** Patty Howard,2021-12-08 So much of our lives is influenced by how we see God For author Patty Howard these words began a two and a half year journey of listening to God every morning with the expectation that He would speak When God speaks He meets us where we are and shows us who we are Sometimes we are invited to share what we hear With social media as her pulpit and her friends as her congregation Howard shared what God had given her every day The Holy Spirit did the rest In Meet Me in the Morning she has gathered those meditations originally posted on social media and compiled them into a devotional mostly in the order and in the form they originally appeared May these daily meditations encourage you inspire you convict you and convince you that God sees you knows you and loves you beyond measure This daily devotional shows how scripture applies to real life in real time and invites you to carry the ideas and insights beyond the page and into your daily life Readings for Sunday Schools, on some of Our Lord's Parables. By S. W. S. W.,1864 Tarbell's Teacher's Guide to the International Sunday-school Lessons for 1912, 1914 Martha Tarbell,1911 **Morning Readings** ,1920 Teachers' Guide to International Sunday School Lessons for [Jan.-Dec.] 1912 Martha Tarbell,1911 **Lessons on the miracles and parables of our Lord** John Watson,1882 **All the Parables of the Bible** Herbert Lockyer,1963 A study and analysis of the more than 250 parables in Scripture **And How Shall You Know All Parables** John Wedlock,2017-09-12 Jesus said in Mark 4 13 And He Jesus said to them the disciples Do you not understand this parable How will you understand all the parables Is Jesus suggesting that the understanding of this parable was necessary for the understanding of all that He was teaching This book provides for an understanding of the Parable of the Sower and also a means for understanding the Gospels Acts based on the thematic context of that parable The themes of each of the Gospels Acts are identified based on the nature of the soils in the parable A direct connection is made between the people type soils of the Parable of the Sower and each of the themes of the Gospels Acts These connections provide for a deeper understanding of the Gospels Acts and for a clearer insight into how these Scriptures apply to everyday life The progressive nature of these connections is presented and it forms a user friendly framework for spiritual maturity A study guide for the each of the Gospels Acts based on the themes of the Parable of the Sower is also included **Morning and Evening Meditations from the Word of God** Michael J. Akers,2014-03-18

There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God

The Gospel as Conversation James Boyd White,2013-08-27 How are we to read the Gospels and bring them into our lives The idea of this book is that the Gospels are not merely rules for life or stories illustrating moral lessons or statements of theological doctrine but invitations to thought and conversation The Gospels are full of problems uncertainties and tensions these difficulties call upon us to engage with the Gospels in a new way to read them to ask questions about them to live with them alone and together The way we do that is by a kind of conversation with each other or within ourselves The Gospel as Conversation is meant to engage the reader in the conversation by which the Gospels maintain their life today among us It contains Gospel passages sermons given on those passages and questions for reflection It is intended both for individual readers and for groups in adult education classes
