*I Tell Ya—It's All but Lies* Shannon Paddy O'Malley, 2019-08-05 There is nothing better than a road trip well maybe if you are staying overnight for more than a night Although it was our first real trip away from home for any length of time it was going to be a road trip that would be remembered for the rest of our lives We were going to be away for only half a fortnight How would we cope with being away from home for that length of time There were not going to be any wives girlfriends or even mummies to look after us Would we survive or could we even survive I'm sure our livers would not have lasted much more than the seven days of heavy drinking that we did This trip was going to be the start of the rest of our lives It was going to be the ultimate road trip It was going to be eight guys looking to play a little golf eight guys looking for a little love and eight guys trying to figure out who was going to be able to drink the most The thing is I thought I had it all wrapped

up before we had even left Canada The eight of us who came to party were as follows Theodore the farmer who was supposed to be our designated driver for the week but he became our designated drunk We had Pudden who was the only sensible one in the bunch His brother in law Kevin also came I think he came well they told me he came My best friend Stewart came but all he wanted to do was fight me for all the girlies that we encountered Johnny my twin brother who could do no wrong also came Of course we had gullible Paulie who acted like an eight year old all the time Then there was Buddy who was easily tricked into doing just about anything that we wanted him to do And then there was me I m pretty sure that all I did the whole trip was drink and listen to some loud rock and roll music As you come across each little incident you will likely figure out that it was not all about me It s just that I had to write it that way to protect all the guilty participants
