Charles Spurgeon: Lectures to My Students, Volume 4 Spurgeon, Charles, 2015-03-24 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world and his many printed works have been cherished classics for decades. Spurgeon preached to more than 10 million people in his lifetime and many times each week. For 38 years in London, he was the pastor of the congregation of the New Park Street Chapel, later known as Metropolitan Tabernacle. He was a prolific writer and produced many kinds of works including sermons, commentaries, and autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns, and much more. His ability to speak and provoke thought with divine inspiration has amazed audiences in his lifetime as well as now. Spurgeon's messages have been considered the best literature worldwide. While he is most remembered for being a minister and having a church, his most powerful influence was that he exercised on his fellow ministers and theological students. He organized a college, trained approximately 850 students, spoke at an annual conference of ministers, and looked at this as just part of life's labour and delight, and these facts are not known as well today. These lectures are filled with down-to-earth practical points and advice for young ministers. His sense of humor seasons his lectures with an air of refreshment that cannot be found elsewhere. Spurgeon's *Lectures to my Students* contains the substance of Spurgeon's regular Friday afternoon addresses to the college students. This new, complete and unabridged publication by Delmarva Publications offers a linked table of contents and a new format for ease of reading. *The Last Will and Testament as a Form of Literature* Eber Carle Perrow, 1913 **The Missionary Review**, 1906 **The Homiletic Review**, 1906 **Kingdom, Power, and Glory - Instructor's Guide** Grace Bible College & Seminary, 2015-03-07 The New Testament, the new agreement that God made with humanity through His Son Jesus Christ, is the subject of this course. This survey of the New Testament brings a realization that God speaks authoritatively to the church and the world today just as He did in the New Testament and throughout the course of history. The information contained in this course will help provide a fuller understanding of New Testament truths and the reliable manner in which they were transmitted to us. A study of this course will enable students to teach others about the Word of God in a greatly enhanced fashion. **Engaging the Old Testament** Dominick S. Hernández, 2023-04-18 This introductory textbook invites students into the depths and riches of the Old Testament and shows the Old Testament's relevance for Christian readers. Rising Latino evangelical Old Testament scholar Dominick Hernández demonstrates how to read Old Testament texts well and put the ancient written word into practice in our day and age. Hernández shows that four core commitments put readers on the right trajectory for reading and applying the Old Testament to

their lives 1 reading humbly 2 reading successively 3 reading entirely and 4 reading deliberately Students will learn how to become better readers of the text and how to read select Old Testament passages well paying attention to how the biblical authors used rhetorical techniques to provoke readers to action
