Texas Granite Story Of A World War II Hero:

Texas Granite Mary Hartman, 1997 A biography of Jack Lummus a man from the small town of Ennis Texas who gave up a promising career with the New York Giants to join the U S Marines during World War II and lost his life on Iwo Jima in a heroic act that earned him the Medal of Honor

Uncommon Valor on Iwo Jima James H Hallas, 2023-06-14 The epic Battle of Iwo Jima is recounted through the stories of twenty eight American soldiers who showed uncommon valor during one of WWII's most bitter conflicts When the smoke cleared on Iwo Jima in March of 1945 nineteen thousand American Marines had been wounded and seven thousand were dead a casualty rate of nearly thirty nine percent Lasting over a month Iwo was the Marines bloodiest battle of the Second World War and the only Pacific battle in which a U S landing force suffered more casualties than it inflicted It was also the most highly decorated single engagement in Marine Corps history This volume captures the bravery of those who fought in that epic battle through the stories of twenty two Marines and five Navy personnel who received the Medal of Honor in recognition of their gallantry under fire

Stars at War Marvin D. Pipher, 2022-11-30 This book outlines the lives and achievements of one hundred entertainers and athletes mostly Americans who served their nations well both in times of war and in times of peace It spans the period from the Spanish American War 1898 up to 2020 but concentrates most heavily on World War II The book was initiated in response to an apparent difference noted between the reactions of entertainers and athletes to the events of September 11 2001 and those following the attack on Pearl Harbor on December 7 1941 It began as an effort to understand who those earlier people were what they did and why to identify the one hundred who did the most during World War II and to rank them in accordance with their achievements This proved to be an impossible task since there was no way to identify the one hundred and there was no common basis for comparison some were truly heroic some were wounded and some killed while others simply served to the best of their abilities The best that could be done was to categorize the men and women selected and subjectively rank them with their peers Over time this effort expanded to be more inclusive touching lightly upon the Spanish American War World War I the Korean War Vietnam the war on terror and upon more recent events Some of those presented herein served before becoming famous some after some volunteered and some were drafted while others served as civilians in their chosen fields Two became presidents of the United States Three won the Congressional Medal of Honor Aside from their service however these were truly remarkable men and women whose stories deserve to be told if for no other reason than to give us a glimpse into the kinds of people who made the United States the greatest nation in the history of the world
