

A TEXTBOOK OF GENERAL PRACTICE

Third edition

Edited by
Anne Stephenson

Textbook Of General Practice

Patrick White, Ann Wylie

Textbook Of General Practice:

A Textbook of General Practice 3E Patrick White,Ann Wylie,2011-12-30 An essential guide to general practice and being a general practitioner A Textbook of General Practice is written specifically with the medical student and foundation doctor in mind reflecting current teaching practice Readers are encouraged to learn through doing with practical exercises throughout the book Student and tutor quotes offer insights into personal experience while thinking and discussion points encourage reflection With content entirely updated to reflect the latest recommendations from Tomorrow s Doctors the third edition of A Textbook of General Practice is the number one choice for undergraduates seeking a narrative introduction to this important discipline

A Textbook of General Practice Patrick White,Ann Wylie,2004-04-30 Aimed at medical students and junior doctors A Textbook of General Practice 2e incorporates the essential information that a student needs to know and understand about general practice and being a general practitioner The learning style of the book is based on experiential and reflective principles in keeping with modern educative theory and prac

A Textbook of General Practice Second Edition Patrick White,Ann Wylie,2004-04-30 Aimed at medical students and junior doctors A Textbook of General Practice 2e incorporates the essential information that a student needs to know and understand about general practice and being a general practitioner The learning style of the book is based on experiential and reflective principles in keeping with modern educative theory and practice It addresses changes in the curriculum and provides guidance on practical skills the theory of providing good medicine and the larger considerations of encouraging life long learning and professional development This is a relatively new approach in line with the GMCs recommendations and the MRCGP exams The new edition builds on the successful formula of the first by thoroughly reviewing and revising all content Self assessment sections have been added to all chapters and a glossary of terms is included at the end of the book Thinking discussion points have been extended and additional student quotes included

A Textbook of General Practice 3E Patrick White,Ann Wylie,2011-12-30 An essential guide to general practice and being a general practitioner A Textbook of General Practice is written specifically with the medical student and foundation doctor in mind Reflecting current practice the book does not seek to reiterate the content of a general medical textbook but instead teaches the fundamental principles of general practice The coverage is comprehensive with everything the undergraduate student or foundation doctor will encounter in a general practice module or rotation The skills and knowledge presented can usefully be applied to all areas of clinical practice With practical exercises throughout the book readers are encouraged to learn through doing Quotes from students and tutors offer insights into personal experience while thinking and discussion points encourage reflection New features in this edition include improved organization red flag pointers to serious illnesses and SBA style self assessment questions With content entirely updated to reflect the latest recommendations from Tomorrow s Doctors the third edition of A Textbook of General Practice is the number one choice for undergraduates seeking a narrative introduction to this important discipline

Oxford

Handbook of General Practice Chantal Simon, Hazel Everitt, Francoise van Dorp, Nazia Hussain, Emma Nash, Danielle Peet, 2020-06-16 The well loved Oxford Handbook of General Practice is a lifeline for busy GPs medical students and healthcare professionals With hands on advice from experienced practitioners this essential handbook covers the entire breadth and depth of general practice in small sections that can be located read and digested in seconds Now in its fifth edition the Handbook has been fully revised to reflect the major new developments shaping general practice today Fully updated with the latest guidelines and protocols this edition offers even more full colour diagrams and tables and colour coded chapters on general practice green clinical topics purple and emergencies red Covering the whole of general practice from practice management to hands on advice dealing with acute medical emergencies this comprehensive rapid reference text will ensure that everything you need to know is only a fingertip away Oxford Textbook of Primary Medical Care Roger Jones (Prof.), 2005

General Practice John Murtagh, 1994 Textbook for students recent graduates and general medical practitioners The focus is on the basics of medical principles and management It details the diagnostic and therapeutic procedures and clinical skills required in general practice Chapters deal with the primary health care of specific groups such as children and adolescents women and men sexually related problems problems of the skin and accident and emergency medicine Includes index Author is professor of general practice at Monash University

Practical General Practice Alex Khot, Andrew Polmear, 2011-11-18 Practical General Practice is a highly practical manual specifically designed for use during the consultation process Containing over 1000 conditions the unique underlying structure of the book allows the GP to see immediately what treatment is recommended and why All recommendations are highly specific giving a firm guide to the GP during the consultation process rather than a list of possibilities that the GP might wish to consider Bullet points for action which give the GP an immediate summary of the issues that must be covered in the consultation Bullet points of the key evidence which justifies those recommendations All chapters thoroughly revised to reflect changes in the evidence and in major guidelines since the last edition NNT values provided when available

The Study Guide for General Practice Training Tim Swanwick, Nava Chana, 2003 This guide is intended for individuals training in general practice as well as for their trainers tutors and educational supervisors It outlines the content and process of learning in general practice and contains an extensive reading list of resources appropriate to each section

General Practice Companion Handbook John Murtagh, 2007 This edition of General Practice Companion Handbook reflects conditions covered in the fourth edition of General Practice Updated throughout it is even more topical and relevant for today's general practitioner Clear and down to earth this book is a practical guide to general practice and presents common medical conditions in an accessible alphabetical format The systematic approach combined with Professor Murtagh's clear writing style means this companion manual is a unique reference that can be used by general practitioners students nurses and all workers in non specialist health disciplines In this edition Professor Murtagh adopts a more evidence based approach while

maintaining the problem based structure that is core to the manual s appeal

Textbook Of General Practice Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Textbook Of General Practice**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
