A Performative Autoethnography of Five Black American Men Stefan Battle, 2023-07-11 In this book Stefan Battle weaves together autoethnographic narrative and ethnographic performance material from his own life and those of four other Black men to show the untold impact of racial trauma on these everyday lives By engaging readers with these experiences stories and pain the book aims to help to stop racial trauma and heal the race based grief of the many Black men who need to speak out against racial injustice United States Battle organizes the book as a performative account of a one day workshop that he might teach to college students or other adults He uses individual activities including an interview with a White woman regarding her relationship to race and racism a staged reading in which five Black men share their stories an audience discussion about race and racism and Battle's performative talk sharing the author's desire for people of all races to self reflect and then talk among themselves about race and racism Battle's powerful book reveals that each Black man's unique story is important and that understanding something of a person's hidden context for processing the traumas of racism can lead to new understanding and healing To

this end Battle examines issues such as Black men's mental health and the wider societal systemic racism in the US that provokes tension and harm to the racial victimization of Black men Suitable for students and scholars of qualitative research and autoethnography in the social sciences communication studies education social work and Africana or Black studies this book will also be of interest to anyone seeking to better understand and engage with the Black male experience in the US

Why Didn't We Riot? Issac J. Bailey, 2020-10-06 In these impassioned powerful essays an award winning journalist deals forthrightly with what it means to be Black in an America that still supports Trump South Carolina based journalist Issac J Bailey reflects on a wide range of complex divisive topics from police brutality and Confederate symbols to respectability politics and white discomfort which have taken on a fresh urgency with the protest movement sparked by George Floyd's killing Bailey has been honing his views on these issues for the past quarter of a century in his professional and private life which included an eighteen year stint as a member of a mostly white Evangelical Christian church Why Didn't We Riot speaks to and for the millions of Black and Brown people throughout the United States who were effectively pushed back to the back of the bus in the Trump era by a media that prioritized the concerns and feelings of the white working class and an administration that made white supremacists giddy and explains why the country's fate in 2020 and beyond is largely in their hands It will be an invaluable resource for the everyday reader as well as political analysts college professors and students and political consultants and campaigns vying for high office **Kingdom**, 1900 **Black Sparta** Naomi Mitchison, 1928

Dahlia Black Keith Thomas, 2019-08-13 For fans of World War Z and the Southern Reach Trilogy a suspenseful oral history commemorating the five year anniversary of the Pulse the alien code that hacked the DNA of Earth's population and the response team who faced the world changing phenomenon Voyager 1 was a message in a bottle Our way of letting the galaxy know we existed That we were out here if anyone wanted to find us Over the next forty years the probe flew past Jupiter and Saturn before it drifted into the void swallowed up by a silent universe Or so we thought Truth is our message didn't go unheard Discovered by Dr Dahlia Black the mysterious Pulse was sent by a highly intelligent intergalactic species that called themselves the Ascendants It soon becomes clear this alien race isn't just interested in communication they are capable of rewriting human DNA in an astonishing process they call the Elevation Five years after the Pulse acclaimed journalist Keith Thomas sets out to make sense of the event that altered the world Thomas travels across the country to interview members of the task force who grappled to decode the Pulse and later disseminated its exact nature to worried citizens He interviews the astronomers who initially doubted Black's discovery of the Pulse an error that critics say led to the world's quick demise Thomas also hears from witnesses of the Elevation and people whose loved ones vanished in the Finality an event that to this day continues to puzzle Pulse researchers even though theories abound about the Ascendants' motivation Including never before published transcripts from task force meetings diary entries from Black and candid interviews with Ballard Thomas also shows in Dahlia Black how a select few led their country in its darkest hours toward a
