## **The Boys Of Biking:**

*The Boys of Pepper Beach* Larry Kockler,2018-08-14 This short story was inspired by actual interviews with teenage boys in high school These events happened in their lives and they wanted to tell their stories as long as I didnt mention their names or locations Some of the boys wanted to clear their minds and came back many times to talk Whether the stories are true or not I dont know The stories do provide good reading I created three fictional main characters to tell the story and they do not represent anyone in particular The community of Pepper Beach doesnt exist but the history of Florida is real and very exciting

*Ten Bodies, Two Bikes and a Boil - Lands End to John O'Groats Cycle Ride* Chris Gooderham,2008-04-01 A dark comedy based on the true story of one man s quest for immortality Matthew Moore has received the worst news of his life he only has one year to live and he wants to do something he can finally be proud of Ten Bodies Two Bikes and a Boil follows the diary of one man as he cycles the length of the country from Lands End to John O Groats dragging his father in law his Bike Buddy with him A man who is grumpy overweight unfit with knackered knees and high blood pressure A man more likely to die than succeed Over three weeks Moore tells of his battle through the country A light hearted and jovial tale to begin with Moore appears to forget about his fatal diagnosis but quickly becomes envious of other people What starts as a simple cycle ride soon becomes a personal crusade one final attempt to live forever This book is a must read for anyone contemplating the challenge and includes daily maps road and traffic conditions as well as the contour of the route

**The Bike and Beyond** Laura Williamson,2016-10-25 The bicycle is a time machine a link to the past But sometimes the bicycle also feels like a link to the future not the future we once imagined the one with flying cars and replicators but more like the one the Victorians might have pictured streets crowded with bikes strange ones of all kinds The bicycle cheap healthy and little changed in more than a century is for Laura Williamson more than just about sport or transport Riding a bike brings moments of joy liberation revolution and change From cycling suffragists to the Christchurch rebuild life on two wheels spins us out beyond well trod paths to a fresh and fast moving take on New Zealand

**The Boys of Burleigh** Scott B. Eggert,2019-07-08 A book about a group of kids growing up in a middle class neighborhood in Milwaukee Wisconsin They were young restless and out of control They went from hoods to wise guys and bikers Compares to The Outsiders on steroids You will laugh cry and laugh some more 5 star rating so far

**The Boys Who Cycled Europe** Alex Pavitt,2014-04-10 Alex and Tom are just schoolboys who do not have much knowledge about cycling What they do have is a huge summer holiday to fill Armed with some overly packed bicycles and no training they waved bye to their parents and set off to cycle 3000 kilometres around Europe to raise money for the MS society They aimed to cycle their bikes through 8 countries meeting new people and seeing the world from a different perspective However with crashes infestations and being eaten alive they are faced with a much harder task in order to make it home Alex and Tom managed to raise over 3000 for the MS Society during their cycle This book will enable them to carry on this effort as 1 from every book will be donated to the MS Society

The Blue-Bike Murder Ron Parker, 2007-07 Young Jake Swift is afraid he is a suspect when his friend is found murdered A Tom Jackson Story      406 Joseph J. Badowski, 2024-03-18 This book is a historical fiction that I have written about the 1960 baseball World Series specifically about game 7 of that series that many baseball experts feel was the greatest game ever played in the history of Major League Baseball The seventh game of that World Series was played on a sunny fall day on October 13 1960 at Forbes Field in Pittsburgh Pennsylvania On that date around 3 00 p m Bill Mazeroski the second baseman for the Pirates hit a walk off home run in the top of the ninth inning to win the game On the second pitch thrown by Yankee pitcher Ralph Terry Mazeroski hit a ball over the 402 sign in left field which gave the Pirates an improbable and almost miraculous win over the heavily favored New York Yankees This home run was the highlight of the many strange and dramatic plays that took place during game 7 which makes that game one for all ages and one that would make for an excellent script for any Hollywood movie This book however is about more than the 1960 World Series It is also about two nine year old boys who meet each other in the summer of 1960 and who become close friends united by not only baseball but also by a crisis that plagues one of the main character s family Daniel Pryzinski and Adam Brodziak are the two fictional characters in this book who meet each other by chance during the summer of 1960 Daniel lives in the Polish Hill section of Pittsburgh while Adam lives in a small rural coal mining town in western Pennsylvania sixty miles from Pittsburgh The two meet each other by chance when Adam s family is invited to stay with Daniel s family while they are attending a Polish Festival in Pittsburgh While staying with the Pryzinski family the Brodziaks discover a dark secret Daniel s father Peter is an alcoholic whose drinking problems are so bad that it threatens to destroy the Pryzinski family Daniel s mother Pauline is desperately trying to hold the family together but is on the verge of leaving her husband She is a devout Catholic so that decision was one that she did not want to make Besides she loved her husband so much that she was willing to do anything to help him recover from his drinking problem Through the intervention of the Brodziaks and their family doctor Tom Slevic they are able to convince Peter to admit himself to an Alcohol Rehab Center in Somerset Pennsylvania Although the focus of this book is the seventh game of the 1960 World Series it is the relationship of the fictional characters that will show the reader how reliance upon family and friends and hope in God and faith can serve to change the lives of so many whose loved ones are affected by alcohol or other types of addiction or substance abuse      *Scouting* , Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals Scouting magazine offers editorial content that is a mixture of information instruction and inspiration designed to strengthen readers abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families      *The Boys* Katie Hafner, 2022-07-26 Hafner s taut and utterly delightful debut is a novel of multitudes What a wonder of storytelling Weike Wang New York Times New York Times Editor s Choice Good Morning America Reading Pick LitHub Most Anticipated Book Christian Science Monitor Summer Reading Pick A delicious summer read filled with humor and surprise for readers of Anne Tyler and Kevin Wilson
