The Boys on the Bus Timothy Crouse, 1978-12-12 *The Pedagogy and the Boys from Beal Alley Boulevard* Jerry Dampier, 2005-08 While sitting in a park a small group of boys all teenagers and all members of the same gang witness an accident involving what appears to be an old man He is not really an old man however but an alien from outer space Like a number of other witnesses the boys run to where the accident occurred however to their and everyone else's amazement the old man is nowhere to be found It's as though he disappeared After leaving the boys walk over to their clubhouse In the middle of their meeting they hear a loud crash coming from the bedroom While searching the room they discover the alien taking shelter Realizing that he is on the edge of death the boys discuss the matter and agree to call the police However after overhearing their discussion the alien pleads with them not to do that After inquiring as to how they can help the alien instructs the boys on just what to do Although astonished at his bazaar instructions on how to help heal him the boys agree and do as he asked after the 24th hour of administering aid and to the boys' astonishment the alien is restored to health In return for their help he agrees to be a sort of teacher and mentor to the teenagers for a period of one year The alien is called the Pedagogy With the Pedagogy by their side these boys will face a series of challenges that will test to and call forth their strength of character and quality of mind

A History of the Berry Schools on the Mountain Campus Jennifer W. Dickey, 2013-09-03 At the dawn of the twentieth century Martha Berry had a vision that a residential school for young men and women with limited educational opportunities would help break the cycle of poverty that pervaded the rural South She began an educational experiment in northwest Georgia that unfolded during her lifetime and continues into the twenty-first century This book tells the story of a part of that school the high school that existed on the Mountain Campus at Berry for more than six decades For the students who were educated there the school was transformative As one alumnus explained the school had about it an
