academic literature on the contemporary political environment and society in Lebanon Divided into two parts Part One examines the pre civil war system the circumstances of its formation its unique characteristics its weaknesses and dynamics and Part Two analyses how circumstances resulting from the civil war combined with essential pre war elements to define the contemporary political processes in Lebanon Palestinian Refugees in International Law Francesca P. Albanese, Lex Takkenberg, 2020-05-21 The Palestinian refugee question resulting from the events surrounding the birth of the state of Israel seventy years ago remains one of the largest and most protracted refugee crises of the post WWII era Numbering over six million in the Middle East alone Palestinian refugees status varies considerably according to the state or territory hosting them the UN agency assisting them and political circumstances surrounding the Israeli Palestinian conflict these refugees are naturally associated with Despite being foundational to both the experience of the Palestinian refugees and the resolution of their plight international law is often side lined in political discussions concerning their fate This compelling new book building on the seminal contribution of the first edition 1998 offers a clear and comprehensive analysis of various areas of international law including refugee law human rights law humanitarian law the law relating to stateless persons principles related to internally displaced persons as well as notions of international criminal law and probes their relevance to the provision of international protection for Palestinian refugees and their quest for durable solutions **Conflict on Mount Lebanon** Rabah Makram Rabah, 2020-08-18 The Druze and the Maronites arguably the two founding communities of modern Lebanon have the reputation of being primordial enemies Makram Rabah attempts to gauge the impact of collective memory on determining the course and the nature of the conflict between these communities in Mount Lebanon He takes as his focus the War of the Mountain in 1982 reconstructing the events of this war through the framework of collective remembrance and oral history He challenges the idea that these group identities were constructed by their respective centres of power within the Maronite and Druze community providing an alternative to the prevailing meta narrative Telling the stories of the many people who took part in these events or who simply suffered as a consequence helps to expose the intrinsic motives which led to this conflict and makes a valuable contribution to the field of Lebanese historical scholarship **The Encyclopedia of the Arab-Israeli Conflict** Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the

The Other Shiites Alessandro Monsutti, Silvia Naef, Farian Sabahi, 2007 Shia Islam is a central issue in contemporary politics Often associated with Iran Shiite communities actually exist in many Islamic countries Focusing on the other Shiites outside Iran this book offers a survey of their diversity and multiplicity in the last two centuries The contributions cover three major topics The first part deals with the relationship of Shia minorities to the Sunni regimes Secondly the public affirmation of their identities through specific rituals and social attitudes is analysed Finally the third part of this volume examines the strengthening of these identities through traditional religious rituals and cultural performances or through the re interpretation and adaptation of these to present day life Coming from various academic backgrounds the authors have used different methodologies and have been engaged in field work

The Origins of the Lebanese National Idea Carol Hakim, 2013-01-19 In this fascinating study Carol Hakim presents a new and original narrative on the origins of the Lebanese national idea Hakim s study reconsiders conventional accounts that locate the origins of Lebanese nationalism in a distant legendary past and then trace its evolution in a linear and gradual manner She argues that while some of the ideas and historical myths at the core of Lebanese nationalism appeared by the mid nineteenth century a coherent popular nationalist ideology and movement emerged only with the establishment of the Lebanese state in 1920 Hakim reconstructs the complex process that led to the appearance of fluid national ideals among members of the clerical and secular Lebanese elite and follows the fluctuations and variations of these ideals up until the establishment of a Lebanese state The book is an essential read for anyone interested in the evolution of nationalism in the Middle East and beyond

The Palestinian National Movement in Lebanon Erling Lorentzen Sogge, 2021-05-20 Hosting over 30 000 inhabitants and governed by competing militias Ayn al Hilwe in the south of Lebanon is one of the most contested refugee camps in the Middle East Known as the Capital of the Palestinian Diaspora the camp has endured a long history of internal power struggles and external influence and intervention Based on extensive ethnographic research in the camp focused on the actors who have shaped its modern political trajectory since the rupture caused by the 1993 Oslo Accords The Palestinian National Movement in Lebanon places the attention on the role of exile leaderships camp based militia commanders and shape shifting networks of patronage in the political landscape of the Palestinian movement in Lebanon Offering original empirical and theoretical findings this book will be essential reading for students of the Palestinian movement and refugee politics in the Middle East and beyond

(Re)constructing Armenia in Lebanon and Syria Nicola Migliorino, 2008 For almost nine decades since their mass resettlement to the Levant in the wake of the Genocide and First World War the Armenian communities of Lebanon and Syria appear to have successfully maintained a distinct identity as an ethno culturally diverse group in spite of representing a small non Arab and Christian minority within a very different mostly

Arab and Muslim environment The author shows that while in Lebanon the state has facilitated the development of an extensive and effective system of Armenian ethno cultural preservation in Syria the emergence of centralizing authoritarian regimes in the 1950s and 1960s has severely damaged the autonomy and cultural diversity of the Armenian community Since 1970 the coming to power of the Asad family has contributed to a partial recovery of Armenian ethno cultural diversity as the community seems to have developed some form of tacit arrangement with the regime In Lebanon on the other hand the Armenian community suffered the consequences of the recurrent breakdown of the consociational arrangement that regulates public life In both cases the survival of Armenian cultural distinctiveness seems to be connected rather incidentally with the continuing search for legitimacy of the state *The Breakdown of the State in Lebanon, 1967-1976* Farid El-Khazen, 2000 Religion, National Identity, and Confessional Politics in Lebanon R.
