Schultz, 2007-08

The Lord Wept The Freedom of Zion The Great Jewish Revolt against Rome was a first century tragedy whose effects still resonate today Timeless themes that still plague the Middle East region and the world ethnic conflict religious fanaticism social upheaval and the clash of civilizations made their baleful appearance in this bloody conflict fought from 66-73 CE The Jews' struggle against the Rome of Nero Caesar was part of the age old battle of human kind to establish a society of justice and freedom in the face of the tyranny and exploitation of a great empire It is also a story of the deeply fractured and corrupted Jewish nation's bitter struggle with itself over issues of wealth and poverty law and governance and collaboration or defiance while seeking to order its society according to its unique laws and customs An intense religious atmosphere infused the Jewish drive for freedom and the deep religious ferment associated with their struggle had a profound influence on the subsequent development of both Judaism and Christianity The trilogy The Lord Wept brings to life the swirling events of the Jewish nation's attempt to free itself from the Roman Empire Its characters are largely drawn from actual personages of the time and the action adheres closely to historic events The Disinherited Nation the first novel of the trilogy also available from Xlibris is set amidst the chaotic events of the year 66 when the revolt erupted and the Jews attained a temporary freedom The final two novels of the trilogy are here published as the twin parts of the novel The Freedom of Zion The Star and the Scepter the first part of that book is set in the years 67 and 68 CE when a new Roman general Flavius Vespasianus conducts a brutal campaign of reconquest in Judaea The shaky new government of free Israel a conservative regime headed by High Priest Ananus is unable to offer effective resistance and is itself overthrown by an uneasy coalition of Jewish revolutionaries including the Zealots led by the radical aristocrat Eleazar ben Simon who attempt to impose far reaching changes in Jewish society and governance Another radical faction the Tzadikim is ensconced in the desert fortress of Masada One of its leaders Eleazar ben Jair believing that the Lord has condemned the new Jewish state for its corruption hopes to take his movement completely out of the war while his colleague Simon ben Giora nurses a vision of unrelenting resistance to Rome In the course of these events the respected old rabbi Jochanan ben Zacchai despairs that the new free Israel can ever fight off the Romans and begins to formulate a radically different Jewish society that will survive the inevitable destruction of Jerusalem and its temple He eventually flees Jerusalem and establishes himself at Jabne a town turned into a refugee camp by Vespasian Meanwhile the young priestly aristocrat Joseph ben Matthias has been sent to lead

the resistance movement in Galilee He is unable to stop Vespasian's onslaught and is himself trapped and captured Vespasian spares his life however intrigued by his prisoner's amazing prophesy Joseph declared that the Lord revealed that the Roman general was the star and the scepter of an ancient Jewish prophesy who is fated to rule the world Joseph changes sides and becomes a sycophantic adherent of Vespasian and his son Titus He begins to put together a grotesquely biased account of his experiences in the Jewish War filled with absurd flattery of his new Roman patrons that even Titus does not take seriously The Christian community of Jerusalem is plunged into increasing despair by deteriorating conditions in the city Its members incessantly study the words of Jesus to seek guidance as to what they should do They eventually decide to flee Their guest the Greek convert Luke who is now married to the lovely Rachel the youngest daughter of

Vol. I. ,1896 **A Rebel's Recollections** George Cary Eggleston, It was a very beautiful and enjoyable life that the Virginians led in that ancient time for it certainly seems ages ago before the war came to turn ideas upside down and convert the picturesque commonwealth into a commonplace modern state It was a soft dreamy deliciously quiet life a life of repose an old life with all its sharp corners and rough surfaces long ago worn round and smooth Everything fitted everything else and every point in it was so well settled as to leave no work of improvement for anybody to do The Virginians were satisfied with things as they were and if there were reformers born among them they went elsewhere to work changes Society in the Old Dominion was like a well rolled and closely packed gravel walk in which each pebble has found precisely the place it fits best There was no giving way under one s feet no uncomfortable grinding of loose materials as one walked about over the firm and long used ways of the Virginian social life Let me hasten to say that I do not altogether approve of that life by any means That would be flat blasphemy against the god Progress and I have no stomach for martyrdom even of our modern fireless sort I frankly admit in the outset therefore that the Virginians of that old time between which and the present there is so great a gulf fixed were idle people I am aware that they were when I lived among them extravagant for the most part and in debt altogether It were useless to deny that they habitually violated all the wise precepts laid down in the published writings of Poor Richard and set at naught the whole gospel of thrift But their way of living was nevertheless a very agreeable one to share or to contemplate the more because there was nothing else like it anywhere in the land A whole community with as nearly as possible nothing to do is apt to develop a considerable genius for enjoyment and the Virginians during somewhat more than two centuries of earnest and united effort in that direction had partly discovered and partly created both a science and an art of pleasant living Add to idleness and freedom from business cares a climate so perfect that existence itself is a luxury within their borders and we shall find no room for wonder that these people learned how to enjoy themselves What they learned in this regard they remembered too Habits and customs once found good were retained I will not say carefully for that would imply effort and the Virginians avoided effort always but tenaciously The Virginians were born conservatives constitutionally opposed to change They loved the old because it was old and disliked the new if for no better reason because it was new for newness and rawness were well nigh the same in their eyes
