has been carefully manipulated In reality he was a dissident whose works were highly critical of the regimes of Elizabeth I and James I Who Killed William Shakespeare examines the means motive and the opportunity that led to his murder and explains why Will Shakespeare had to be stopped From forensic analysis of his death mask to the hunt for his missing skull the circumstances of Shakespeare s death are reconstructed and his life reconsidered in the light of fresh discoveries What emerges is a portrait of a genius who spoke his mind and was silenced by his greatest literary rival
