The Bristol Registers Of Servants:

The Bristol Registers of Servants Sent to Foreign Plantations, 1654-1686 Peter Wilson Coldham, 1988 In 1654 the Bristol City Council passed an ordinance requiring that a register of servants destined for the colonies be kept the purpose being to prevent the practice of dumping innocent youths into servitude The registers covering the period 1654 to 1686 are the largest body of indenture records known and they also are a unique record of English emigration to the American colonies publisher website December 2007 *A tale of two dialect regions: Sranan's 17th-century English input* André Sherriah, 2019 This book traces the precise origin of the early English lexical and lexico phonetic influences in Sranan an English based creole spoken in Suriname Sranan contains fossilised linguistic remnants of an early English colonial period The book discusses whether Sranan's English influence s originated from a single dialect from the general London area as proposed by Norval Smith in 1987 or whether we are dealing with a composite of dialectal features from all over England The book introduces a novel replicable methodology for linguistic reconstructions which combines statistics in the form of binomial probability English dialect geography via use of Orton's et al 1962 1971 Survey of English Dialects which focuses on traditional regional English dialects across England and Wales and 17th century English migration history compiled from The Complete Book of Emigrants 1607-1660 The Bristol Registers of Servants Sent to Foreign Plantations 1654-1686 Virtual Jamestown Virginia Center for Digital History and Colonial State Papers secured from the British History Online databases among other relevant historical sources The Complete Book of Emigrants: 1607-1660 Peter Wilson Coldham, 1987 This book was conceived as an attempt to bring together from as many English sources as survive a comprehensive account of emigration to the New World from its beginnings to 1660 Introd **Sugar and Slaves** Richard S. Dunn, 2012-12-01 First published by UNC Press in 1972 Sugar and Slaves presents a vivid portrait of English life in the Caribbean more than three centuries ago Using a host of contemporary primary sources Richard Dunn traces the development of plantation slave society in the region He examines sugar production techniques the vicious character of the slave trade the problems of adapting English ways to the tropics and the appalling mortality rates for both blacks and whites that made these colonies the richest but in human terms the least successful in English America A masterly analysis of the Caribbean plantation slave society its lifestyles ethnic relations afflictions and peculiarities Journal of Modern History A remarkable account of the rise of the planter class in the West Indies Dunn's work is rich social history based on factual data brought to life by his use of contemporary narrative accounts New York Review of Books A study of major importance Dunn not only provides the most solid and precise account ever written of the social development of the British West Indies down to 1713 he also challenges some traditional historical clichés American Historical Review **Genealogical Encyclopedia of the Colonial Americas** Christina K. Schaefer, 1998 Covers the period of colonial history from the beginning of European colonization in the Western Hemisphere up to the time of the American Revolution *Indentured Migration and the Servant Trade from London to*

America, 1618-1718 John Wareing, 2017 The first full examination of the English trade in indentured servants who paid for their transportation and keep and continued to work unpaid for years on their arrival Often these people were deceived and coerced despite half hearted government efforts to curtail the activities of what was after all a useful crime for the English state
