# The Bristol Slave Traders A Collective Portrait

**Kenneth Morgan**

## **The Bristol Slave Traders A Collective Portrait:**

**The Bristol Slave Traders** David Richardson,1985      **The Bristol Slave Traders** A. P. Woolrich,Basil Cottle,David Richardson,Geoffrey Channon,Harold Nabb,J. W. Sherborne,Jean Vanes,Kenneth O. Morgan,Peter G. Cobb,Peter Harris,Ronald Mayo,1987      **The Diary of Antera Duke, an Eighteenth-Century African Slave Trader** Stephen D. Behrendt,A.J.H. Latham,David Northrup,2010-03-08 In his diary Antera Duke ca 1735 ca 1809 wrote the only surviving eyewitness account of the slave trade by an African merchant A leader in late eighteenth century Old Calabar a cluster of Efik speaking communities in the Cross River region he resided in Duke Town forty five miles from the Atlantic Ocean in what is now southeast Nigeria His diary written in trade English from 1785 to 1788 is a candid account of daily life in an African community at the height of Calabar s overseas commerce It provides valuable information on Old Calabar s economic activity both with other African businessmen and with European ship captains who arrived to trade for slaves produce and provisions This new edition of Antera s diary the first in fifty years draws on the latest scholarship to place the diary in its historical context Introductory essays set the stage for the Old Calabar of Antera Duke s lifetime explore the range of trades from slaves to produce in which he rose to prominence and follow Antera on trading missions across an extensive commercial hinterland The essays trace the settlement and development of the towns that comprised Old Calabar and survey the community s social and political structure rivalries among families sacrifices of slaves and witchcraft ordeals This edition reproduces Antera s original trade English diary with a translation into standard English on facing pages along with extensive annotation The Diary of Antera Duke furnishes a uniquely valuable source for the history of precolonial Nigeria and the Atlantic slave trade and this new edition enriches our understanding of it      **The British Slave Trade and Public Memory** Elizabeth Kowaleski-Wallace,2006 A provocative examination of the politics of memory and how a diverse culture remembers its complex history of racism The author explores these issues in this study and by incorporating a range of material she analyses how museum exhibits novels films and a play dealt with the subject of slavery      **Bristol and the Birth of the Atlantic Economy, 1500-1700** Richard Stone,2024 Analyses data from the Bristol Port Books to rewrite the history of trade in Bristol including the city s early involvement with the slave trade The sixteenth and seventeenth centuries were a transformative period for global commerce with the principal focus of England s trade shifting away from trade with Europe primarily in woollen cloth to a new Atlantic system with trade in a diverse range of commodities Based on the fantastically detailed Bristol Port Books previously thought impenetrable and using new computer technology to analyse the vast amount of data this book provides the first long duration history of a major Atlantic port in this period It rewrites the history of Bristol s trade overturning much established thinking for example showing that trade flourished in the late Tudor and early Stuart period demonstrating that Bristol was involved in the slave trade much earlier than was previously thought and charting the growth of commerce with North America and the Caribbean from nothing to three quarters of Bristol s

imports in the short period from the 1630s to the 1650s Overall the book represents a major contribution to understanding how the Atlantic economy worked and how it developed in this crucial period **The Transatlantic Slave Trade** James A. Rawley, Stephen D. Behrendt, 2005-12-01 The transatlantic slave trade played a major role in the development of the modern world It both gave birth to and resulted from the shift from feudalism into the European Commercial Revolution James A Rawley fills a scholarly gap in the historical discussion of the slave trade from the fifteenth to the nineteenth century by providing one volume covering the economics demography epidemiology and politics of the trade This revised edition of Rawley s classic produced with the assistance of Stephen D Behrendt includes emended text to reflect the major changes in historiography current slave trade data tables and accompanying text updated notes and the addition of a select bibliography

**Slavery Obscured** Madge Dresser, 2016-10-06 Slavery Obscured aims to assess how the slave trade affected the social life and cultural outlook of the citizens of a major English city and contends that its impact was more profound than has previously been acknowledged Based on original research in archives in Britain and America this title builds on scholarship in the economic history of the slave trade to ask questions about the way slave derived wealth underpinned the city of Bristol s urban development and its growing gentility How much did Bristol s Georgian renaissance owe to such wealth Who were the major players and beneficiaries of the African and West Indian trades How in an ever changing historical environment were enslaved Africans represented in the city s press theatre and political discourse What do previously unexplored religious legal and private records tell us about the black presence in Bristol or about the attitudes of white seamen colonists and merchants towards slavery and race What role did white women and artisans play in Bristol s anti slavery movement Combining a historical and anthropological approach Slavery Obscured seeks to shed new light on the contradictory and complex history of an English slaving port and to prompt new ways of looking at British national identity race and history

**Slavery, Atlantic Trade and the British Economy, 1660-1800** Kenneth Morgan, 2001-01-04 This book considers the impact of slavery and Atlantic trade on British economic development in the generations between the restoration of the Stuart monarchy and the era of the Younger Pitt During this period Britain s trade became Americanised and industrialisation began to occur in the domestic economy The slave trade and the broader patterns of Atlantic commerce contributed important dimensions of British economic growth although they were more significant for their indirect qualitative contribution than for direct quantitative gains Kenneth Morgan investigates five key areas within the topic that have been subject to historical debate the profits of the slave trade slavery capital accumulation and British economic development exports and transatlantic markets the role of business institutions and the contribution of Atlantic trade to the growth of British ports This stimulating and accessible book provides essential reading for students of slavery and the slave trade and British economic history **Slave Trade and the Economic Development of 18th-Century Lancaster** Melinda Elder, 2019-07-29 This book looks at the role of the slave trade in the economic development of 18th Century

Lancaster     **Slavery and Slaving in World History: A Bibliography, 1900-91: v. 1** David Y Miller, 2019-07-23 This bibliography of 20th century literature focuses on slavery and slave trading from ancient times through the 19th century It contains over 10 000 entries with the principal sections organizing works by the political geographical frameworks of the enslavers     **Slavery in the Development of the Americas** David Eltis, Frank D. Lewis, Kenneth L. Sokoloff, 2004-03-29 Slavery in the Development of the Americas brings together work from leading historians and economic historians of slavery The essays cover various aspects of slavery and the role of slavery in the development of the southern United States Brazil Cuba the French and Dutch Caribbean and elsewhere in the Americas Some essays explore the emergence of the slave system and others provide important insights about the operation of specific slave economics There are reviews of slave markets and prices and discussions of the efficiency and distributional aspects of slavery Perspectives are brought on the transition from slavery and subsequent adjustments and the volume contains the work of prominent scholars many of whom have been pioneers in the study of slavery in the Americas     **Hannah More** Anne Stott, 2003 This is the first substantial biography of More for 50 years and the first to make extensive use of her unpublished correspondence     **Trauma and the Memory of Politics** Jenny Edkins, 2003-07-31 In this interesting study Jenny Edkins explores how we remember traumatic events such as wars famines genocides and terrorism and questions the assumed role of commemorations as simply reinforcing state and nationhood Taking examples from the World Wars Vietnam the Holocaust Kosovo and September 11th Edkins offers a thorough discussion of practices of memory such as memorials museums remembrance ceremonies the diagnosis of post traumatic stress and the act of bearing witness She examines the implications of these commemorations in terms of language political power sovereignty and nationalism She argues that some forms of remembering do not ignore the horror of what happened but rather use memory to promote change and to challenge the political systems that produced the violence of wars and genocides in the first place This wide ranging study embraces literature history politics and international relations and makes a significant contribution to the study of memory     *Slavery and the British Empire* Kenneth Morgan, 2007 This is an introduction to the entire history of British involvement with slavery and the slave trade which especially focuses on the two centuries from 1650 and covers the Atlantic world especially North America and the West Indies as well as the Cape Colony Mauritius and India Slavery and the British Empire provides a clear overview of the entire history of British involvement with slavery and the slave trade from the Cape Colony to the Caribbean The book combines economic social political cultural and demographic history with a particular focus on the Atlantic world and the plantations of North America and the West Indies from the mid seventeenth century onwards Kenneth Morgan analyses the distribution of slaves within the empire and how this changed over time the world of merchants and planters the organization and impact of the triangular slave trade the work and culture of the enslaved slave demography health and family life resistance and rebellions the impact of the anti slavery movement and the abolition of the British slave trade in 1807 and of

slavery itself in most of the British empire in 1834 As well as providing the ideal introduction to the history of British involvement in the slave trade this book also shows just how deeply embedded slavery was in British domestic and imperial history and just how long it took for British involvement in slavery to die even after emancipation a clear overview of the entire history of British involvement with slavery and the slave trade Spartacus Review      **Traders in Men** Nicholas Radburn,2023-07-25 A sweeping new history that reveals how British African and American merchants developed the transatlantic slave trade This is a landmark study given its clear status as easily the best researched and most comprehensive book on the British slave trade to date David Eltis coauthor of Atlas of the Transatlantic Slave Trade A masterful account of one of the most brutal moments in the history of capitalist modernity Radburn brilliantly details all aspects of the process of commodification of human beings in the Liverpool slave trade vividly depicting the long journeys endured by Africans in Africa across the Atlantic and in the Americas Leonardo Marques Universidade Federal Fluminense During the eighteenth century Britain s slave trade exploded in size Formerly a small and geographically constricted business the trade had by the eve of the American Revolution grown into a transatlantic system through which fifty thousand men women and children were enslaved every year In this wide ranging history Nicholas Radburn explains how thousands of merchants collectively transformed the slave trade by devising highly efficient but violent new business methods African brokers developed commercial infrastructure that facilitated the enslavement and sale of millions of people Britons invented shipping methods that quelled enslaved people s constant resistance on the Middle Passage And American slave traders formulated brutal techniques through which shiploads of people could be quickly sold to colonial buyers Truly Atlantic wide in its vision this study shows how the slave trade dragged millions of people into its terrible vortex and became one of the most important phenomena in world history      *The Memory of Colonialism in Britain and France* Itay Lotem,2021-03-12 This book explores national attitudes to remembering colonialism in Britain and France By comparing these two former colonial powers the author tells two distinct stories about coming to terms with the legacies of colonialism the role of silence and the breaking thereof Examining memory through the stories of people who incited public conversation on colonialism activists politicians journalists and professional historians this book argues that these actors mobilised the colonial past to make sense of national identity race and belonging in the present In focusing on memory as an ongoing politicised public debate the book examines the afterlife of colonial history as an element of political and social discourse that depends on actors goals and priorities A thought provoking and powerful read that explores the divisive legacies of colonialism through oral history this book will appeal to those researching imperialism collective memory and cultural identity      **Pulpit and People** John H. Y. Briggs,2009-11-01 The eighteenth century was a crucial time in Baptist history The denomination had its roots in seventeenth century English Puritanism and Separatism And The persecution of the Stuart kings with only a limited measure of freedom after 1689 Worse however was to follow for with toleration came doctrinal conflict a move away from central

Christian understandings and a loss of evangelistic urgency Both spiritual and numerical decline ensued To the extent that the denomination was virtually reborn as rather belatedly it came to benefit from the Evangelical Revival which brought new life to both Arminian and Calvinistic Baptists it has however been strongly argued that those who were associated with Bristol College had a continuous tradition of Evangelical Calvinism and that the General Baptists of the South Midlands And The Home Counties owing as much To The legacy of the Lollards as to Dutch Anabaptism did not succumb to heterodoxy The papers in this volume therefore study a denomination in transition and relate to theology their views of the church and its mission Baptist spirituality and engagement with radical politics

Mutiny on the Black Prince James H Sweet,Vilas-Jartz Distinguished Professor of History James H Sweet,2025-01-07 The dramatic story of a mutiny aboard an eighteenth century British ship and how its owners effectively rallied the power of the British Crown to protect their investment and expand their wealth and political power across multiple generations In 1768 the British slave ship Black Prince departed the port of Bristol bound for West Africa It never arrived Before reaching Old Calabar the crew mutinied murdering the captain and his officers The mutineers renamed the ship Liberty elected new officers and set out for Brazil By the time the ship arrived there the crew had disintegrated into a violent mob and fired into the port city After the Black Prince wrecked off the coast of Hispaniola the rebels fled to outposts around the Atlantic world An eight year manhunt ensued This book follows the crew s turn to piracy and the merchant owners response to the uprising At the very moment that the American Revolution unfolded in North America the Black Prince s owners conducted a shadow revolution mobilizing the power of the British Crown to seek justice and restitution on their behalf These private merchants used state surveillance policing extradition capital punishment international diplomacy and even warfare in order to protect their wealth During an era of professed liberty and freedom the privatization of state power was already emerging replacing monarchies with corporate oligarchies presaging a new kind of political power in the Atlantic world The eighteenth century Bristol slave merchants and subsequent generations of their families accrued great fortunes from the trade and invested it in early British banks railroads insurance companies industrial manufacturing and even the Anglican Church Mutiny on the Black Prince narrates the dramatic story of the events onboard and the merchant owners efforts to capture the rebels from around the Atlantic world as well as the way that British slavery shaped the industrializing Atlantic economy and the evolution of the modern corporate state

Edmund Burke and the British Empire in the West Indies P. J. Marshall,2019 In the later eighteenth century the West Indian sugar islands were a source of conspicuous wealth for some individuals and an important addition to the resources of Great Britain This book examines Edmund Burke s long involvement with the West Indies examining his conflicted attitudes to slavery and the maintenance of Britain s imperial reach

**Materializing the Middle Passage** Jane Webster,2024-02-22 Jane Webster develops a pioneering approach to rebuilding British slaving vessels creating a new archaeology of the Middle Passage The book also examines multiple sources and accounts questioning why the African Middle Passage experience remains elusive

even after decades of scholarship dedicated to uncovering it

Eventually, you will unquestionably discover a further experience and realization by spending more cash. yet when? pull off you resign yourself to that you require to acquire those all needs in imitation of having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to understand even more almost the globe, experience, some places, when history, amusement, and a lot more?

It is your very own period to acquit yourself reviewing habit. in the course of guides you could enjoy now is **The Bristol Slave Traders A Collective Portrait** below.
