The Broken Chain:

The Broken Chain Timothy J. R. Rains,2022-10-08 A Queen in Peril An Alliance Divided A Conjuring of an Ancient Evil Shown for the villain that he is the Grand Mage is on the run and he s kidnapped the crown heir The realm is in turmoil The critical hour is at hand But at a time when unity is paramount no one can be trusted King Vashean least of all Kerstin s schemes have not played out in her favour With her impending execution it seems she s burned one bridge too many Pity though she was mankind s only hope Hinkle would love nothing more than to see Kerstin get what she deserves especially with the way she s been looking at Sir Gilkrist But for once her aunt might actually be right Count Olgris has escaped and he holds the final piece to his master s sinister design The question is will anybody listen The world is about to plunge into the most terrifying darkness its ever known And no one who can do anything about it is moving in the right direction

The Broken Chain Ernest Duval Jr.,2014-07-31 As the speaker of the House of Representatives Joseph Adam is used to being in control From his position he makes things happen crushes his enemies both political and personal and enjoys all the many trappings of power Life is good because he has the authority to make it so When he first starts hearing reports of chaos and panic in the nation s cities he assumes that this too can be controlled and confined Soon no one will be in control and he has no way to change that The world as he knows it no longer exists The world is now under attack from a zombie virus Caught in the middle of the unthinkable Joseph struggles to make sense of the new reality He s torn apart by anguish as one by one his friends family neighbors and peers fall victim to the virus No one is safe not even the elite and the powerful As if that stress weren t enough he s just been informed that he is the highest ranking elected official in the land As the new and potentially last president of the United States Joseph and his best friend Jason Wright must now do what needs to be done to save humanity

The Gauntlet and the Broken Chain Ian Green,2023-08-03 For 312 years the rotstorm has blighted the ruins of the Ferron Empire Born of an unholy war between gods themselves it scours the land with acid mists and deadly lightning spawning twisted monstrosities from its nightmarish depths On the Stormwall the men and women of the Stormguard maintain their vigil eyes sharp blades sharper defending the Undal Protectorate from the worst of the rotstorm s corruption But behind the storm front something is stirring kindling the embers of an ancient conflict and a plan to kill a god Will Stormguard steel be enough to meet the coming tempest Flor returns to the Undal Protectorate to find it blighted by the deadly ice and bitter winds of a Claw Winter Her people are dying and she is sworn to save them but she can think only of her daughter Marta slowly succumbing to her skein sickness trapped

somewhere in the far far north Now Tullen One Eye the man they call the Deathless has been freed and roams the land once more There are rumours that the great god wolf Lothal hunts again And deep in Orubor s Wood the god bear Anshuka stirs from her slumber Flor must raise her gauntlet one final time if she is to save her daughter and her people But will steel alone be enough to take down the gods
