The Broken Swastika:

The Broken Swastika Willy Trebich, Edmund Swinglehurst, 1973 The Broken Swastika: The Double Life of One of the Last War's Most Persistent Escapers Willy Trebich, 1973 Broken Swastika Werner Baumbach, 1960 But We Said No Paul Bonart, 2007 There were thousands of Germans who fought courageously and risked their and their families lives taking a stand against Hitler even after he and his criminal horde came to power While a few of the most famous ones have received the publicity they well deserve history has been silent about the rest of them I wrote this book about my life and participation in the German Underground in order to make their voices heard and give them the recognition and respect which humanity owes them **Zane's Redemption (Scanguards Vampires #5)** Tina Folsom, 2011 The last thing vampire bodyguard Zane wants to do is to guard a hybrid a half vampire half human whose father wants to keep her a virgin Known for his violent temper and callous lack of compassion Zane s out of control rage born of the cruelty he suffered during the Holocaust drives him to focus only on revenge Trying to find the last of his torturers is his only goal in life Portia is a young hybrid with a serious dilemma in a few weeks her body will be set in its final vampire form If she is to avoid having to live out her immortal life as a virgin she must find a lover in that short time something her father hires Zane to prevent The moment Portia and Zane meet rules begin to bend and a forbidden attraction bursts into flames hotter than the hell of Zane s past But that past threatens to pull them apart unless they can overcome their prejudice forsake hate for love and revenge for forgiveness Scanguards Vampires Series Book 1 Samson s Lovely Mortal Book 2 Amaury s Hellion Book 3 Gabriel s Mate Book 4 Yvette s Haven Book 5 Zane s Redemption Out of Olympus Series Book 1 A Touch of Greek Book 2 A Scent of Greek Venice Vampyr Series Book 1 Venice Vampyr Book 2 Venice Vampyr Final Affair Book 3 Venice Vampyr Sinful Treasure Bundle Novellas 1 to 3 Venice Vampyr The Beginning Other Books Lawful Escort Records of the Past , 1908 **Modern Mexican Culture** Stuart A. Day, 2017-10-31 This collection of essays presents a key idea or event in the making of modern Mexico through the lenses of art and history Provided by publisher American Anthropologist , 1907 Encyclopedia Of Freemasonry Albert G. Mackey, 2013-10-24 Dr Albert G Mackey also the author of The Lexicon of Freemasonry appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here in one giant volume is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order For more than thirty years Dr Mackey has devoted earnest and constant study and research to the history the objects and the condition of Masonry In the present work the crowning and successful result of a life s labors he has received no assistance from any one He says Every article was written by myself and he adds which would extenuate errors had he fallen into any For twelve months too of the time occupied upon this work I

suffered from an affection of the sight which forbade all use of the eyes for purposes of study During that time now happily passed all authorities were consulted by the willing eyes of my daughters all writing was done by their hands I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters and his preface closes with the words Were I to dedicate this work at all my dedication should be To Filial Affection Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions *Songs of Liberation in the Netherlands* Frank Mehring,2025-10-01 When the Allied Forces arrived in the Netherlands after Operation Market Garden the country s long awaited liberation from National Socialist occupation finally came in the summer of 1945 With freedom reclaimed a wave of joy and hope swept through the nation finding its most powerful expression in the stirring liberation songs that resonated across the land These songs an evocative transatlantic soundtrack of freedom captured the spirit of the time through music lyrics and dance celebrating the euphoria of a nation reborn *Songs of Liberation in the Netherlands The Transatlantic Soundtrack of Freedom* invites readers on an extraordinary journey into this transformative period Frank Mehring along with an international team of writers musicians and curators brings to life the vibrant music that accompanied liberation by drawing from the remarkable Hugo Keesing collection at the Freedom Museum in Groesbeek featuring over 300 rare sheet songs Now rediscovered these songs offer a profound connection to the past inviting us to reimagine the emotional power of music in shaping cultural memory *Broken Swastika* Werner Baumbach,1974 *Small Town America in World War II* Ronald E. Marcello,2014-04-15 Historians acknowledge that World War II touched every man woman and child in the United States In *Small Town America in World War II* Ronald E Marcello uses oral history interviews with civilians and veterans to explore how the citizens of Wrightsville Pennsylvania responded to the war effort Located along the western shore of the Susquehanna River in York County Wrightsville was a transportation hub with various shops stores and services as well as industrial plants Interviews with citizens and veterans are organized in sections on the home front the North African Italian European and Pacific theatres stateside military service and occupation in Germany Throughout Marcello provides introductions and contextual narrative on World War II as well as annotations for events and military terms Overseas the citizens of Wrightsville turned into soldiers An infantryman in the Italian campaign Alfred Forry explained I was forty five days on the line wearing the same clothes but everybody was in the same situation so you didn t mind the stench and body odors A veteran of the Battle of the Bulge Edward Reisinger remembered Replacements had little chance of surviving They were sent to the front one day and the next day they were coming back with mattress covers over them The sergeants never knew the names of these people Mortar man Donald Peters described the death of a buddy who was hit by artillery shrapnel His arm was just hanging on by the skin and his intestines were hanging out In the conclusion Marcello examines how the war affected Wrightsville Did the war bring a return to prosperity What effects did it have on women How did wartime trauma affect the returning veterans In short did World War II transform Wrightsville and its

citizens or was it the same town after the war **From the Heart of a Soldier** Brandi Sue Tramazzo,2024-02-27 Steve Rondeau left home at sixteen and enlisted in the military at eighteen When he arrived at Fort Polk Louisiana for basic training Steve had no idea of what was ahead especially when he realized he had unwittingly signed up for airborne school Little did he know that he was about to become an airborne ranger who would eventually spend over sixteen years on jump status become a free fall instructor at Fort Bragg and make over two thousand parachute jumps during his twenty year military career In a collection of true accounts that span several decades and branches of the military veterans that include a medic a first sergeant and a colonel share fascinating poignant and sometimes humorous stories that transport others into chaotic war zones their experiences running from the enemy and life in the jungle where they lived out of a rucksack invited destitute children to be their guides and encountered eclectic residents Included are bible verses reflection questions and short descriptions of families served by the BT Hero House Foundation From the Heart of a Soldier shares compelling personal accounts from military veterans that offer a glimpse into the lives and experiences of those who serve our country

The Vigil of a Nation Lin Yutang,2018-09-03 For the second time Lin Yutang has gone deep into wartime China and has come out with much to tell No foreign writer and few Chinese could have had such a chance to see past the smoke of war through the clouds of gossip and beneath the heaving surface of economic and political change And Lin Yutang as always is unafraid of the truth His sense of history joined with his spirit of eager inquiry led him to watch for the old China along with the new Only China presents such a study in contrasts rich alike with romance and with hope for the future Sitting on the ruins of a Tang palace and telling us tales of ancient times Lin Yutang looks down at an Industrial Co operative group working in the gully below and dreams of the China that is to be He describes a cotton mill all underground three miles of whirring machines in tunnels bored beneath the protecting hills and further west a vast irrigation system built two thousand years ago and still working perfectly Takeover Timothy W. Ryback,2025-07-29 From the internationally acclaimed author of Hitler s Private Library a dramatic recounting of the six critical months before Adolf Hitler seized power when the Nazi leader teetered between triumph and ruin In the summer of 1932 the Weimar Republic was on the verge of collapse One in three Germans was unemployed Violence was rampant Hitler s National Socialists surged at the polls Paul von Hindenburg an aging war hero and avowed monarchist was a reluctant president bound by oath to uphold the constitution The November elections offered Hitler the prospect of a Reichstag majority and the path to political power But instead the Nazis lost two million votes As membership hemorrhaged and financial backers withdrew the Nazi Party threatened to fracture Hitler talked of suicide The New York Times declared he was finished Yet somehow in a few brief weeks he was chancellor of Germany In facinating detail and with previously un accessed archival materials Timothy W Ryback tells the remarkable story of Hitler s dismantling of democracy through democratic process He provides fresh perspective and insights into Hitler s personal and professional lives in these months in all their complexity and uncertainty backroom deals unlikely alliances

stunning betrayals an ill timed tax audit and a fateful weekend that changed our world forever Above all Ryback details why a wearied Hindenburg who disdained the Bohemian corporal ultimately decided to appoint Hitler chancellor in January 1933 Within weeks Germany was no longer a democracy

9.5mm Film and Participatory Media Before the Digital Age

Annamaria Motrescu-Mayes,Zoë Viney Burgess,2025-10-08 This anthology offers the first systematic exploration of 9 5mm amateur film culture practice and consumption from its launch in 1922 to the present day It breathes new life into our understanding of participatory media and its origins in the early twentieth century revealing how a web of experiences gave rise to a vibrant ecosystem of collaborative storytelling and grassroots cultural movements that continue to shape our understanding of media participation The collection brings together the work of emerging specialists early career researchers and respected scholars from anthropology film media studies and international film archival networks The 16 chapters in this volume offer fresh insights into early participatory media culture and confirm the ongoing influence and impact of 9 5mm film on global media studies The interdisciplinary approach and wide reaching perspectives make it a valuable resource for cinema and media curricula film archival projects cultural and media anthropology visual sociology as well as gender memory and migration studies

Trust Me George Kennedy,2011-10-01 These are memoirs of a kid born in New York City in 1925 His dad George Senior was a pianist composer and orchestra leader at Proctor s Vaudeville Theatre and his mother Helen played in a classic dance troupe Hanky panky ensued They married and I soon was the result I write like I talk A long time ago I tried making talking and telling the truth one and the same That isn t just difficult it means painfully reviewing things you ve been led to believe since you were a child That s very hard to do Like many I have marched along adhering to conventions sex color church party gang without examination There s a wonderful protective togetherness in that anonymity You obey or are damned less joined together than stuck together You become an echo rather than a voice This book is about what happens when you stop fearing and think I like writing but warmed over BS is not on the menu You are the most important thing in life Every phrase in the book awkward or not is how I think and question everything I wrote every word as if we were sitting together I want you to think too George Kennedy from the preface

War and Economy in the Third Reich R. J. Overy,1994 When Hitler came to power in 1933 he had two aims for the economy a rapid recovery from the depths of the Great Slump and the creation of a vast economic foundation for Germany s renewed bid for world power These eleven essays explore the tension between Hitler s vision of an armed economy and the reality of German economic and social life Richard Overy argues that the German economy was much less crisis ridden in 1939 than its enemies supposed and that Hitler far from limiting his war effort tried to mobilize the economy for total war from 1939 onwards Only the poor organization of the Nazi state and the interference of the military prevented higher levels of military output Many of these essays challenge accepted views of the Third Reich In his introduction Richard Overy relects on the issues the essays raise and the ways in which the subject is changing Often thought provoking always informed War and

Economy opens a window on a essential aspect of Hitler s Germany **In the Unlikeliest of Places** Annette Libeskind Berkovits,2014-09-15 Annette Libeskind Berkovits thought her attempt to have her father record his life s story failed But in 2004 three years after her father s death she was going through his things and found a box of tapes several years worth with his spectacular life triumphs and tragedies told one last time in his baritone voice Nachman Libeskind s remarkable story is an odyssey through crucial events of the twentieth century With an unshakable will and a few drops of luck he survives a pre war Polish prison witnesses the 1939 Nazi invasion of Lodz and narrowly escapes is imprisoned in a brutal Soviet gulag where he helps his fellow inmates survive and upon regaining his freedom treks to the foothills of the Himalayas where he finds and nearly loses the love of his life Later the crushing communist regime and a lingering postwar anti Semitism in Poland drive Nachman and his young family to Israel where he faces a new form of discrimination Then defiantly Nachman turns a pocketful of change into a new life in New York City where a heartbreaking promise leads to his unlikely success as a modernist painter that inspires others to pursue their dreams With just a box of tapes Annette Libeskind Berkovits tells more than her father s story she builds an uncommon family saga and reimagines a turbulent past In the process she uncovers a stubborn optimism that flourished in the unlikeliest of places Neglected Skies Angus Britts,2017-10-15 Neglected Skies uses a reconsideration of the clash between the British Eastern Fleet and the Imperial Japanese Navy s First Air Fleet in the Indian Ocean in April 1942 to draw a larger conclusion about declining British military power in the era In this book Angus Britts explores the end of British naval supremacy from an operational perspective By primarily analyzing the evolution of British naval aviation during the interwar period as well as the challenges that the peacetime Royal Navy was forced to confront a picture emerges of a battle fleet that entered the war in September 1939 unready for combat By examining the development of Japan s first strike carrier battle group the Kido Butai Britts charts both the rise of Japan as a wartime power as well as the demise of the Royal Navy Japan by concentrating their six largest aircraft carriers into a single strike force with state of the art aircraft had taken a quantum leap forward in warfighting at sea Simultaneously British forces found themselves outmatched in this Eastern theatre and Britts makes the case by looking at a set of key battles that this is where the global supremacy of Britain s naval power ended
