Hearings United States. Congress. House. Select Committee on Small Business, 1970 **Hearings, Reports and Prints of the House Select Committee on Small Business** United States. Congress. House. Select Committee on Small Business, 1970 **The Geography Of Illegal Drugs** George F Rengert, 2018-03-05 The nightly news and other media provide a constant reminder of illegal drug transport over American borders and along routes between various U S cities The general public is well aware that law enforcement efforts to address the foreign supply and trafficking of illegal drugs into the United States is an ongoing battle This useful and readable compendium gives a fascinating account of how illegal drugs

are transported into and around the United States and throughout its neighborhoods Criminologist and geographer George F Rengert takes a unique approach to the problem of illegal drug distribution and U S drug markets Using maps and charts to illustrate his findings Rengert applies spacial diffusion models to the illegal drug trade and explains why certain drugs are transported and found in different parts of the country For example the highest concentration of marijuana plants is not on either coast but rather across the middle of the United States throughout what is known as the corn belt At the local level Rengert assesses the patterns and processes that interconnect drug sales and neighborhood deterioration and change The book also addresses the important issues of how illegal drugs in this country operate on wholesale and retail levels and ways in which law enforcement at the federal state and local levels contend with this widespread problem Using ethnographic material to provide real life examples Rengert explores how drug dealers on the street expand spatially and predictably in their neighborhoods He illustrates how this knowledge helps law enforcement in efforts to get these drugs off the streets

 Fulton,2024-05-15 Josephine McCarty had many identities But in Albany New York she was known as Dr Emma Burleigh the
 abortionist of Howard Street On January 17 1872 McCarty boarded a streetcar in Utica New York shot her ex lover in the
 face and disembarked unaware that her bullet had passed through her target s head and into the heart of the innocent man
 sitting beside him The unlucky passenger died within minutes Josephine McCarty was arrested for attempted murder and
 quickly became the most notorious woman in central New York The Abortionist of Howard Street was however far more than
 a murderer In Maryland she was Johnny McCarty a blockade runner and spy for Confederate forces New Yorkers whispered
 of her as a mistress to corrupt Albany politicians So who was she The prosecution in her murder trial claimed she was a
 calculating and heartless operative both in the bedroom and in her public life Or was she the victim of ill fortune and the
 systemic weight of misogyny and male violence The answer of course was not as simple as either narrative In this absorbing
 and rich history R E Fulton considers the nuances of Josephine McCarty s life from marriage to divorce from financial abuse
 to quarrels with intimate partners and more trying to decipher the truth behind the stories and myths surrounding McCarty
 and what ultimately led her to that Utica streetcar with a pistol in her dress pocket In The Abortionist of Howard Street
 Fulton revisits a rich history of women s experience in mid nineteenth century America revealing McCarty as a multifaceted
 fascinating personification of issues as broad as reproductive health education domestic abuse mental illness and criminal
