to all sex is rape in the public arena adding fire to Dworkin's already radical persona In her introduction to this twentieth anniversary edition of *Intercourse* Ariel Levy the author of *Female Chauvinist Pigs* discusses the circumstances of Dworkin's untimely death in the spring of 2005 and the enormous impact of her life and work Dworkin's argument she points out is the stickiest question of feminism Can a woman fight the power when he shares her bed **For Dear Life** Carol

Jacobsen,2019-02-11 *For Dear Life* chronicles feminist and artist Carol Jacobsen's deep commitment to the causes of justice and human rights and focuses a critical lens on an American criminal legal regime that imparts racist gendered and classist modes of punishment to women lawbreakers Jacobsen's tireless work with and for women prisoners is charted in this rich assemblage of images and texts that reveal the collective strategies she and the prisoners have employed to receive justice The book gives evidence that women's lawbreaking is often an effort to survive gender based violence The faces letters and testimonies of dozens of incarcerated women with whom Jacobsen has worked present a visceral yet politicized chorus of voices against the criminal legal systems that fail us all Their voices are joined by those of leading feminist scholars in essays that illuminate the arduous methods of dissent that Jacobsen and the others have employed to win freedom for more than a dozen women sentenced to life imprisonment and to free many more from torturous prison conditions The book is a document to Jacobsen's love and lifelong commitment to creating feminist justice and freedom and to the efficacy of her artistic legal and extralegal political actions on behalf of women **Women in Popular Culture** Laura L. Finley,2023-03-24

Marriage and Violence Frances E. Dolan,2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable Taming of the Shrew against William Byrd s diary of life on his Virginia plantation Noel Coward s Private Lives and Barbara Ehrenreich s assessment in Nickel and Dimed of the relationship between marriage and housework She traces the connections between Phillippa Gregory s best selling novel The Other Boleyn Girl and documents about Anne Boleyn s fatal marriage and her daughter Elizabeth I s much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition
