**Cabin on Ghostly Pond** Marjorie Reynolds,1966-01-01      **The Cabin on Ghostly Pond** Marjorie Reynolds,1962 A runaway from reform school who hides in the cabin at Ghostly Pond at first threatens the peace which Jo has found on his grandfather's horse farm but eventually helps him face in a realistic way the facts of his parents' divorce      **The Ghost, the Eggheads, and Babe Ruth's Piano** Sweitzer Larry Sweitzer, Larry Sweitzer,2009-11 It's the summer of 2004 and Freddie Holtzman can't wait to get to Camp Mason a summer camp for eggheads or rather gifted teens He hopes to reconnect with Ginny Haig a girl he met at camp last year Freddie's old friends Logan and Monty are there along with some new faces He tries to win Ginny's affection but every time he tries to talk to her he says and does nerdy things At Camp Mason a science fair pits the eggheads against one another for the top prize of a five thousand dollar scholarship But when the projects go missing friendships are put to the test relationships get put on hold and everyone's a suspect To make matters worse the camp is haunted by young Billy Mason who died there decades ago The boys are determined to solve the mystery of the ghost and the missing science projects Freddie's quest to win the scholarship and the girl of his dreams are constantly in jeopardy There are complications at every turn the ghost a creepy caretaker Freddie's high school nemesis a cantankerous camp manager and a saboteur all threaten his chance to win the prize and Ginny's heart      **Ghost Silver** Ye XiaoZi,2020-09-08 I am an antique dealer earning money from the living and earning money from the dead In the past few years of roaming the world he had seen all kinds of bizarre things      ***Ghost Medicine*** Andrew Smith,2008-09-02 The summer before Troy Stotts turns seventeen his mother dies Troy and his father barely speak communicating instead by writing notes on a legal pad by the phone Troy spends most of his time with his closest friends Tom Buller brash and fearless the son of a drunk Gabe Benavidez smart enough to know he'll never take over the family ranch and Gabe's sister Luz whose family overprotects her and who Troy has loved since they were children Troy and his friends don't want trouble They want this to be the summer of what Troy calls ghost medicine when time seems to stop so they won't have to face the past or the future But before the summer is over their paths will cross in dangerous and fateful ways with people who will change their lives Rose a damaged derelict who lives with a flock of wild horses and goats and Chase Rutledge the arrogant sheriff's son Troy and his friends want to disappear Instead they will become what they least expect brothers lovers heroes and ghosts      ***Ginty's Ghost*** Chris Czajkowski,2015-06-15 After nearly three decades of wilderness dwelling far from neighbours and roads with the nearest community accessible only via float plane or days of hiking Czajkowski purchases a derelict homestead with rough road access at Ginty Creek an hour's drive south of Anahim Lake Although the property is mostly swamp and the packrat infested buildings are uninhabitable the location affords beautiful views and abundant wildlife and the asking price is within her budget Ginty Creek was named for Ginty Paul the eccentric recluse who had previously owned the property Some locals remember Ginty affectionately while others feared her volatile temper or refused to step into her house for fear of being

served chicken poop tea She had an open door policy to all of her animals the chickens would sleep with her and the bedroom doubled as a maternity ward for dogs cats goats and sheep Intrigued by the stories Czajkowski tracks down a pile of Ginty's letters and documents These combined with many fond bitter and bizarre anecdotes gleaned from interviews with area residents are all woven into the account As Czajkowski chronicles the many challenges of settling into her new home it becomes clear that she and Ginty have more than just a piece of land in common They also share a spirit of independence and resourcefulness as well as an unwavering desire for a solitary life immersed in the spectacular landscapes of British Columbia
