Lobbyists/PACs Directory, 1999      **The Municipal Budget Crunch** Roger L. Kemp, 2014-01-10 This book is based on a  
national literature search focusing on the best practices of cities of all sizes and geographic locations intended to maintain  
public services while holding down taxes Many public officials have great ideas but tend to work in a vacuum so they don't  
know what other cities are doing This volume codifies knowledge in this new field for the first time Every case study included  
in this book has the city's website listed This reference work makes it easy for professionals seeking additional information  
on any and all budget reduction methods that seem to work somewhere      Monthly Catalog of United States Government

information is essential to government workers corporate researchers students and many other citizens but finding a city  
ordinance or a county report can be a daunting experience This unique timesaving and easy to use reference guide offers  
strategies for locating local and regional government information including what to look for how and where to search and  
what to expect Leading users through the labyrinth of records and reports available from a wide variety of sources this guide  
provides tips on how to use sources effectively and efficiently in real world research An accessible overview covers the  
different types of government documents how local governments are organized and how to contact government agencies and  
archives The guide also describes the major general indexes and bibliographies covering local government information  
including the Index to Current Urban Documents and the BRB Public Record Research System Whether researching census
