My Calvary Road Roy Hession, 2011-07-14 Roy Hession's The Calvary Road has sold millions of copies and has been translated into over forty languages My Calvary Road tells the personal side of the story of one man's spiritual journey on the road to righteousness learning what it means to be open to God's purpose An evangelist who in his lifetime was well known on both sides of the Atlantic Hession recounts how revival came to his personal life and ministry With utter frankness he tells how he was blessed by failure his life a demonstration of the true grace of God

The Calvary Road Roy Hession, 1980 Do you long for revival and power in your life Learn how through brokenness repentance and confession Jesus can fill you with His Spirit *The Calvary Road and Be Filled Now* Roy Hession, Revel Hession, 2017-11-24 The Calvary Road is the British evangelist Roy Hession's best known book It is a simple practical exposition of the essential role and the fruit of humility and repentance in the Christian life It has changed lives and ministries The chapters are Brokenness Cups Running Over The Way of Fellowship The Highway of Holiness The Dove and the Lamb Revival in the Home The Mote and the Beam Are You Willing to be a Servant The Power of the Blood of the Lamb and Protesting Our Innocence Christians of all persuasions appreciate the importance of being filled with the Holy Spirit The Hessions write the apostolic injunction Be filled with the Spirit Eph 5:18 still stands binding on every believer and he ignores it at the peril of missing the fruitfulness and joy which such fullness brings This book describes the person of the Holy Spirit and how and why the Christian is to be filled with the Spirit

The Calvary Road Roy Hession, 2012 This book hardcover is part of the TREDITION CLASSICS It contains classical literature works from over two thousand years Most of these titles have been out of print and off the bookstore shelves for decades The book series is intended to preserve the cultural legacy and to promote the timeless works of classical literature Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion With this series tredition intends to make thousands of international literature classics available in printed format again worldwide

The Calvary Road Revel and Roy Hession, Roy Hession, 2013-07-04 I am sure from my own experience as well as from what we have seen in the ranks of our Mission these last three years that what the authors tell us about in these pages is one of God's

vital words to His worldwide church today For long I had regarded revival only from the angle of some longed for but very rare sudden outpouring of the Spirit on a company of people I felt that there was a missing link somewhere Knowing of the continuing revival on a certain mission field and because it was continuing and not merely sudden and passing I long felt that they had a further secret we needed to learn Then the chance came for heart to heart fellowship with them first through one of our own missionary leaders whose life and ministry had been transformed by a visit to that field and then through conferences with some of their missionaries on furlough and finally through the privilege of having two of the native brethren living for six months at our headquarters From them I learned and saw that revival is first personal and immediate It is the constant experience of any simplest Christian who walks in the light but I saw that walking in the light means an altogether new sensitiveness to sin a calling things by their proper name of sin such as pride hardness doubt fear self pity which are often passed over as merely human reaction It means a readiness to break and confess at the feet of Him who was broken for us for the Blood does not cleanse excuses but always cleanses sin confessed as sin then revival is just the daily experience of a soul full of Jesus and running over Further we are beginning to learn as a company of Christ s witnesses that the rivers of life to the world do not flow out in their fulness through one man but through the body the team Our brokenness and openness must be two way horizontal as well as vertical with one another as with God We are just beginning to experience in our own ranks that team work in the Spirit is one of the keys to revival and that we have to learn and practice the laws of a living fellowship I need not say more as Roy Hession and his wife expound the whole matter But we have seen God at work in our midst I could name half a dozen of our workers several of them leaders in whose lives there has been a new spiritual revolution Then rivulets of blessing in some of our individual lives have been merging in a larger stream God has been giving us times as a company when as they prayed the place was shaken where they were assembled together and they were all filled with the Holy Ghost Here and there on our battle fields distant and near the sound of abundance of rain is being heard and we believe among many companies of God s people He is preparing afresh for these last days a sharp threshing instrument having teeth and that what God is saying to us through this Revival and through the interpretation of that message in this pamphlet is a word of the Lord for our day May it be greatly used to produce revived lives revived fellowships and revived churches

The Calvary Road Roy and Revel Hession, 2013-08-20 A short simple but powerful book *The Calvary Road* is an amazing manual about practical Christianity If followed the principles in this book will perpetually change your life by helping you receive more of God than ever before by consistently surrendering to Him than ever before One of the best books on grace every written *The Calvary Road* has changed many lives for the better over the years The themes of humility confession and brokenness as discussed so well by Hession are important to any Christian Every Christian should have this in their library It teaches about how much the Lord really does want to help us and most importantly how much He really does want to be with us on an individual level
