The Campus Of The First State University:

The Campus of the First State University, University of North Carolina, Chapel Hill University of North Carolina at Chapel Hill, 1965 Campus of the First State University Archibald Henderson, 1949 **The Campus of the First State University** Archibald Henderson, 1949 **The Campus of the First State University. [With Plates.].** Archibald HENDERSON (of the University of North Carolina.), 1949 **The First State University** William S. Powell, 1992 William Powell's *The First State University* originally published in 1972 and revised in 1979 has become a classic for many Carolina alumni and friends This third edition brings the story up to date with photographs from the 1980s a decade that produced the Davis Library the Dean Dome Michael Jordan and a 1988 campus educational forum featuring the seven Democratic presidential candidates Several recently discovered photographs from previous eras have also been added including the earliest known picture of the student body and a photograph of the University's first female professor who was appointed in 1927 In loving detail this book captures the character and charm of the University over the years its campus administrators faculty classes athletic programs and student life The idea of an institution of higher education in North Carolina was born in the minds of colonial leaders before the American Revolution They chartered a college but King George III refused to approve the law under which it could be established North Carolinians proceeded to operate a college without royal authority until it fell victim to Revolutionary times In 1776 when the idea of a state university became a possibility the founders of this college joined alumni and others in advancing the cause of higher education It is here that this stunning pictorial history begins Photographs sketches silhouettes oil paintings watercolors and other visual images tell the story of how the University was established how it grew and what contributions it has made to the people of North Carolina the South the nation and the world Many people places and events are identified and changes over time are highlighted The physical growth of the campus is dramatically portrayed through the use of pictures made from approximately the same spot but decades apart Numerous photographs of individuals suggest the range of important positions held by alumni and group pictures of faculty and students provide a unique opportunity to people watch across the years **The History of American Colleges and Their Libraries in the Seventeenth and Eighteenth Centuries** David S. Zubatsky, 1979 **The History of Baptist Student Ministry at Tarleton State University** Barbara Ann Coan, PhD, 2020-01-28 The history of John Tarleton's college in Stephenville Texas was the setting for the story of Tarleton's Baptist student ministry that began in 1921 The Baptist Student Union met on campus until 1947 when the Baptist General Convention of Texas purchased property for 12 000 from the Jones family one block from the college campus In 1947 the old house was converted into space for the new ministry with living quarters in the back for the first full time B S U Director Felix Gresham Further improvements to the old building continued until the second and current Baptist student center was built in 1986 The land was purchased for 20 000 by the Erath Baptist Association in 1979 and then given to the Baptist General Convention The Tarleton Baptist Student Ministry

continues to meet the spiritual needs of thousands of students through Beach Reach Mission trips Noon Luncheons Bible Studies Leadership Training and Prayer groups

Campus Legends Elizabeth Tucker, 2005-10-30 Since the earliest days of universities students have told stories about their daily lives often emphasizing extraordinary surprising and baffling events This book examines the fascinating world of college and university legends While it primarily looks at legends it also gives some attention to rumors pranks rituals and other forms of folklore Included are introductory chapters on types of campus folklore a collection of some 50 legends from a broad range of colleges and universities an overview of scholarship and a discussion of campus legends in movies television and popular culture Since the earliest days of universities students have told stories about their daily lives often emphasizing extraordinary surprising and baffling events Legends often dramatize certain hopes and fears showing how stressful and exciting the college experience can be From the stereotype of the absent minded professor to the adventures of spring break to the mysterious world of fraternities and sororities campus legends have also become an important part of popular culture This book provides a convenient readable introduction to campus legends While the volume focuses primarily on legends it also explores rumors pranks rituals and other related folklore types The book begins with an overview of college and university folklore This is followed by a discussion of particular types of legends and other folklore genres The handbook then presents some 50 examples of college and university legends including ghost stories urban legends food lore drinking tales murders and suicides and many others These examples are accompanied by brief comments The book next surveys scholarship on campus folklore and discusses the place of college and university legends in films television literature and popular culture The volume cites numerous print and electronic resources

Historically Black colleges and universities, 1976-1994 , Offers information on historically black colleges and universities HBCUs in the United States presented by the Educational Resources Information Center ERIC Clearinghouse on Urban Education Discusses Internet workshops held at HBCUs by the Clearinghouse and links to online publications on HBCUs

Guns and College Homicide Stephen K. Boss, 2019-01-10 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety

The National Old Trails Road Joseph Macaulay Lowe, 1924 *Hearings* United States. Congress. House, 1969 **A National College of Agriculture for the Transvaal** William Macdonald, 1909 **Reading between the "Red Lines"** , 2005 This report details ongoing government restrictions on classroom discussions research projects student activities campus demonstrations and university governance The report addresses conditions in public institutions including Cairo Alexandria Ain Shams and

Hilwan Universities and private institutions like the American University in Cairo Publisher website **Media Law and Ethics** Roy L. Moore, Michael D. Murray, 2025-04-02 This fully revised seventh edition provides a thorough introduction to both the legal and ethical considerations relevant to students pursuing careers in media law and communication This comprehensive textbook integrates fundamental legal and ethical principles with cases and examples from both landmark moments and recent history It incorporates discussion of new technologies and media throughout its coverage of core topics such as intellectual property defamation and commercial speech This edition introduces readers to media law in comparative international communication and explores topics such as data mining artificial intelligence and the dark web Coverage of recent court cases and congressional hearings bring readers up to date on the evolving discussion surrounding Facebook X formerly Twitter TikTok and today's other major online sources This hybrid textbook is ideal for undergraduate and graduate courses in media and communication that combine law and ethics Online resources including sample syllabi and a test bank are available at www.routledge.com/9781032612928 **Dictionary of North Carolina Biography** William S. Powell, 2000-11-09 The most comprehensive state project of its kind the Dictionary provides information on some 4 000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries Much of the bibliographic information found in the six volumes has been compiled for the first time All of the persons included are deceased They are native North Carolinians no matter where they made the contributions for which they are noted or non natives whose contributions were made in North Carolina *New York: A Guide to the Empire State*, 1940 **Transactions of the Minnesota State Medical Association** Minnesota State Medical Association, 1916 List of members in each volume *The National Register of Historic Places*, [Journal of the American Medical Association](#) American Medical Association, 1915
