

The Canadian House Of Commons Representation

Kelly Blidook

The Canadian House Of Commons Representation:

The Canadian House of Commons Norman Ward, 1985 Papers from a conference held at the University of Saskatchewan
Nov 16 17 1984 **The Canadian Parliamentary Companion** ,1920 **The Canadian Parliamentary Guide** ,1922

The Canadian Parliamentary Companion ,1968 **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada. Parliament. House of Commons,1928 **Protecting Canadian Democracy** Canadian Centre for Management Development,2003 In recent years Canada s Senate Parliament s chamber of sober second thought has often been the subject of controversy and calls for reform Protecting Canadian Democracy examines the history role and evolution of the Senate places it in the context of other federal systems and contrasts its role with that of provincial governments Contributors analyse the Senate s use of its legislative powers comparing it with the House of Commons and assess the Senate s contribution to public policy development and review showing how the upper chamber functions as a forum within Parliament for the representation of Canada s diverse regional linguistic cultural and socio economic interests contending that the Senate should be improved by means that do not require formal amendments to the Constitution The authors identify possibilities for reform the institution within the current constitutional framework addressing the Senate s veto power its appointment process and its legislative independence A valuable appendix of charts and statistics on the composition and operation of the Senate is also provided The Paradox of Parliament Jonathan Malloy,2023-02-27 The Paradox of Parliament provides a comprehensive analysis of all aspects of Parliament in order to explain the paradoxical expectations placed on the institution The book argues that Parliament labours under two different logics of its purpose and primary role one based on governance and decision making and one based on representation and voice This produces a paradox that is common to many legislatures but Canada and Canadians particularly struggle to recognize and reconcile the competing logics In The Paradox of Parliament Jonathan Malloy discusses the major aspects of Parliament through the lens of these two competing logics to explain the ongoing dissatisfaction with Parliament and perennial calls for parliamentary reform It focuses on overarching analytical themes rather than exhaustive description It centres people over procedure and theory with strong emphasis given to dimensions of gender race and additional forms of diversity Arguing for a holistic and realistic understanding of Parliament that recognizes and accepts that Parliament evolves and adapts The Paradox of Parliament puts forward an important and novel interpretation of the many facets of Parliament in Canada **The Canada Year Book** Canada. Dominion Bureau of Statistics,1927 Sharing Power Manon Tremblay,2017-03-02 The representation of women in parliament is a subject of extensive research and a focus for political action in the last decade The wide variation in women s parliamentary presence contradicts the expectation that established or consolidated democracies are more supportive of the presence of women in political life than emerging democracies This volume explains this variation through a series of closely investigated case studies from the post Communist transition democracies of Eastern Europe and

emerging democracies in Asia and the Middle East to the long established liberal democratic states The volume examines the history of women s legislative involvement clearly addressing the issue of equal opportunities for women in political life on a cross national basis It also identifies innovative solutions to redress the power sharing balance between women and men Offering a unique comparative perspective *Sharing Power* will appeal to students and scholars of politics women s studies history and legislative studies **Proportional Representation Review** ,1919 Includes supplements **The Law Times**

Reports of Cases Decided in the House of Lords, the Privy Council, the Court of Appeal ... [new Series]. ,1905

Canadian Democracy from the Ground Up Elisabeth Gidengil,2014-01-01 Canada is often held up as an example of a healthy democracy However the Canadian public is less enthusiastic about the way our democracy works This first of a kind book approaches the democratic deficit from the perspective of everyday Canadians and assesses the performance of Parliament and the media in light of their perceptions and expectations In doing so a number of chapters highlight the disjuncture between perceptions and performance *Canadian Democracy from the Ground Up* is essential for anyone who would like to learn how to build a better democracy one that meets the expectations of the Canadian public

Constituency Influence in Parliament Kelly Blidook,2012-04-12 Canada s parliamentary system has been characterized as executive dominant with governance focused on the centre and scholars have paid little attention to the legislature and its members *Constituency Influence in Parliament* illuminates how MPs in their pursuit of various goals in the legislature play an important representative role in shaping policy This critical volume offers the first full scale examination of the rules and conduct of parliamentary Private Members Business and of the electoral and policy motivations of those who hold the country s highest elected office Kelly Blidook offers a thought provoking assessment of the representational and policy dynamics that exist within the Canadian institutional structure His examination of what MPs do why they do it and what effect it has resurrects the relevance of Canada s Parliament *The Canadian Almanac and Miscellaneous Directory*

,1897 *Ethnicity and Citizenship* Jean Laponce,Safran William,2014-03-05 Examining past and present policies on immigration current arguments regarding the evolution of the Canadian constitutional system and the continuing search for new definitions of citizenship this book looks at the components of citizenship in Canada and the diversity of attitudes

Parliamentary Privilege in Canada Joseph P. Maingot,1997-11-19 Joseph Maingot describes the parameters of the principal immunity enjoyed by Members of Parliament that of freedom of speech which is restricted to the context of a parliamentary proceeding and not beyond He points out protections afforded members other than parliamentary privilege and the view of both the courts and the legislatures concerning parliamentary debates and proceedings as evidence in court He also sets out in detail what the House of Commons considers to be and not to be a matter of privilege as well as the corporate powers of the Houses of Parliament **The Canadian Senate in Bicameral Perspective** David E.

Smith,2017-06-22 *The Canadian Senate in Bicameral Perspective* is the first scholarly study of the Senate in over a quarter

century and the first analysis of the upper house as one chamber of a bicameral legislature David E Smith's aim in this work is to demonstrate the interrelationship of the two chambers and the constraints this relationship poses for Senate reform He analyses past literature on the Senate and current proposals for reform such as a Triple E Senate and compares Canada's upper chamber with those of Australia the United States Germany and the United Kingdom noting a revival of interest in Canada and abroad in upper chambers and bicameralism Drawing on parliamentary debates and committee reports as well as a range of broad secondary sources *The Canadian Senate in Bicameral Perspective* examines the Canadian Senate within the international context shedding light on its role as a political institution and arguing for a renewed investigation into its future Canadian Almanac and Directory, 1922 The Canadian Regime Patrick Malcolmson, Richard Myers, Gerald Baier, Tom Bateman, 2016-01-01 Now in its sixth edition *The Canadian Regime* continues to provide the most accessible introduction to the institutions processes and principles of the Canadian political system The book's focus on the inner logic of parliamentary government explains the rationale for Canada's relatively complex political system which the authors encourage readers to think of as an organic entity where change in one area inevitably ripples through the rest of the system The new edition includes the results of Canada's 2015 federal election and looks ahead to consider changes resulting from the Liberal victory It has been thoroughly updated and revised and introduces several new topics such as the impact of the previous Conservative government on the conventions and practices of parliamentary government and the important influence of social media on politics Two new co-authors Gerald Baier and Thomas M J Bateman join Patrick Malcolmson and Richard Myers to bring new expertise in the areas of federalism judicial politics Charter jurisprudence political parties and the ongoing health care debate Comparative Studies of Policy Agendas Frank R. Baumgartner, Christoffer Green-Pedersen, Bryan D. Jones, 2013-09-13 Previously published as a special issue of the *Journal of European Public Policy* this book draws on the insights of the existing literature on agenda setting and policy changes to explore the dynamics of attention allocation and its consequences Attention is a crucial variable in understanding modern politics Shifts in attention have dramatic consequences for both politics and policy decisions This volume includes case studies of nine different political systems including the US Canada several European systems and the EU itself It asks the following questions Which are the dynamics of agenda setting in the EU Which role do political parties play in attention allocation What are the cross national differences in attention to health care What role does science and expertise play in attention allocation What are the effects of political institutions *Comparative Studies of Policy Agendas* will be of interest to students and scholars of policy analysis and public policy
