

The background of the book cover is a painting. It depicts a man with a beard and a wide-brimmed hat, looking towards the right. He is wearing a patterned shirt. The painting has a textured, almost collage-like quality with various shades of brown, tan, and grey. The title text is overlaid on the upper portion of the painting.

The Canadian Odyssey The Greek Experience In Canada:

The Canadian Odyssey Peter D. Chimbos, 1980 *Canadian Odyssey - the Greek Experience in Canada* Canada. Multiculturalism Directorate, P. D. CHIMBOS, 1980 *The Canadian Odyssey* Peter D. Chimbos, 1980 **Proceedings of the First International Congress on the Hellenic Diaspora from Antiquity to Modern Times (Montreal, 17-22.iv. 1988 ; Athens, 26-30.iv. 1988)** John M. Fossey, 2025-01-27 The print edition is available as a set of two volumes 9789050630603 **Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers *Such Hardworking People* Franca Iacovetta, 1992 *Such Hardworking People* provides a perceptive description of the working class experiences of immigrants who came to Toronto from southern Italy between 1946 and 1965 Franca Iacovetta focuses on the relations between newly arrived workers and their families showing that the Italians who came to Toronto during this period were predominantly young healthy women and men eager to obtain jobs and prepared to make sacrifices in order to secure a more comfortable life for themselves and their children **mmm...** **Manitoba** Kimberley Moore, Janis Thiessen, 2024-04-05 A tasty oral history In 2018 Janis Thiessen Kimberley Moore and collaborator Kent Davies refashioned a used food truck into a mobile oral history lab Together they embarked on a journey around Manitoba gathering stories about the province's food and the people who make sell and eat it Along the way they visited restaurant owners beer brewers grocers farmers scholars and chefs in their kitchens and businesses online and on board the food truck The team conducted nearly seventy interviews and indulged in a bounty of prairie delicacies from Winnipeg's Fat Boys to Steinbach's perogies to Churchill's cloudberry jam Thiessen and Moore serve up the results of this research in **mmm Manitoba** Mixing recipes maps archival records biographies and full colour photographs with fascinating stories they showcase the province's diverse food histories Through the sharing and preparing of food the authors investigate food security and regulation Indigenous foodways and agriculture capitalism's impact on the agri food industry and the

networks between Manitoban food producers and retailers The book also explores the roles of gender ethnicity migration and colonialism in Manitoba s food history Hop on the Manitoba Food History Truck and journey into the province s past with engaging essays and easy to follow recipes for kjielkje and schmauntfat snow goose tidbits chicken karaage the Salisbury House flapper pie duck fat smashed potatoes Ichi Ban cocktails pork inihaw and more mmm Manitoba offers a thoughtfully nuanced deliciously digestible and wholly unique regional history that is sure to satisfy

'New' Migration of Families from Greece to Europe and Canada Julie A. Panagiotopoulou, Lisa Rosen, Claudine Kirsch, Aspasia Chatzidaki, 2019-07-24 The volume aims at analysing the migration processes of families from Greece following the financial crisis from 2009 onwards It investigates whether and to what extent this new and international migration represents a new phenomenon when compared to the so called migration of guest workers during the sixties

The Macedonian Conflict Loring M. Danforth, 2020-11-10 Greeks and Macedonians are presently engaged in an often heated dispute involving competing claims to a single identity Each group asserts that they and they alone have the right to identify themselves as Macedonians The Greek government denies the existence of a Macedonian nation and insists that all Macedonians are Greeks while Macedonians vehemently assert their existence as a unique people Here Loring Danforth examines the Macedonian conflict in light of contemporary theoretical work on ethnic nationalism the construction of national identities and cultures the invention of tradition and the role of the state in the process of building a nation The conflict is set in the broader context of Balkan history and in the more narrow context of the recent disintegration of Yugoslavia Danforth focuses on the transnational dimension of the global cultural war taking place between Greeks and Macedonians both in the Balkans and in the diaspora He analyzes two issues in particular the struggle for human rights of the Macedonian minority in northern Greece and the campaign for international recognition of the newly independent Republic of Macedonia The book concludes with a detailed analysis of the construction of identity at an individual level among immigrants from northern Greece who have settled in Australia where multiculturalism is an official policy People from the same villages members of the same families living in the northern suburbs of Melbourne have adopted different national identities

Workers and Canadian History Gregory S. Kealey, 1995 This collection of twelve essays by Gregory Kealey will be of great interest to students and scholars of Canadian history labour history Marxist and socialist theory and history and political science

Encyclopedia of Greece and the Hellenic Tradition Graham Speake, 2021-01-31 Hellenism is the living culture of the Greek speaking peoples and has a continuing history of more than 3 500 years The Encyclopedia of Greece and the Hellenic Tradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining

this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world s merchant marine and Greek communities in the United States Australia and South Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence **Canadian Ethnic Studies** ,1983 **Toronto's Many Faces** Tony

Ruprecht,2010-12-14 Toronto is truly a city of communities Designed for tourists and for residents Toronto s Many Faces is the one and only guide to the multicultural character of the city featuring profiles of more than 60 ethnic communities including local histories festivals food and art The book identifies each community where its people come from why when and where they settled in Toronto The contribution of each community is also traced with biographical notes on prominent people whose achievements have been extraordinary Monuments memorials theatres museums cultural centres and restaurants are identified while detailed maps and photographs of festival events help bring the city s varied communities to life Toronto s Many Faces is a guide for tourists a sourcebook for newcomers a directory for businesses and organizations and a passport for Torontonians to the many cultures that exist at their doorsteps **Women, Gender, and Diasporic Lives** Evangelia

Tastsoglou,2009-01-01 Organized around the broad themes of women s labor community activity and identity as their organizing concept Women Gender and Diasporic Lives intersects these issues with the concerns of ethnicity class generation and masculinity The country specific case studies reveal women s intentionality and agency in labor in building community institutions and in negotiating and re defining their identities The broad range of contributor backgrounds make this book a valuable resource for anyone interested in gender diaspora labor or modern Greek studies **Greeks in English-speaking Countries** Christos P. Ioannides,1997 Greek Islander Migration to Australia since the 1950s Melissa N.

Afentoulis,2021-11-23 Illuminating the experiences of immigrants to Australia in the late twentieth century this book uses oral history to explore how identity and belonging are shaped through migration Between the 1950s and the 1970s many inhabitants from the small Greek island of Limnos travelled to Australia to flee post war devastation and economic disaster With an emphasis on the lived experiences and memories of Limnians the book sheds light on the emotional pain and trauma they felt as they were separated from their families and homeland Moving away from more traditional outlooks on migration studies this book emphasises the significance of ethno regional identity and analyses how it can bring strength and longevity to a constructed community Both the roles of men and women within the Greek diaspora are examined in the way that they made the difficult decision to leave their homeland and subsequently how they came to nurture and build families within a new evolving community Looking beyond first generation migration the author analyses the pattern of return visits to Limnos by the descendants of migrants Acting as a form of identity consolidation for second generation migrants this journey to the ancestral homeland highlights the fluidity of what it means to belong somewhere and redefines the notion of home The author provides an alternative perspective to traditional migration studies and reaffirms the importance of transnational

identity A unique and important addition to research this book combines memory studies and oral narrative to analyse how identity and belonging can be shaped across borders rather than within them *Greek Diaspora and Migration since 1700* Dimitris Tziouvas, 2016-04-22 The Greek diaspora is one of the paradigmatic historical diasporas Though some trace its origins to ancient Greek colonies it is really a more modern phenomenon Diaspora exile and immigration represent three successive phases in Modern Greek history and they are useful vantage points from which to analyse changes in Greek society politics and culture over the last three centuries Embracing a wide range of case studies this volume charts the role of territorial displacements as social and cultural agents from the eighteenth century to the present day and examines their impact on communities politics institutional attitudes and culture By studying migratory trends the aim is to map out the transformation of Greece from a largely homogenous society with a high proportion of emigrants to a more diverse society inundated by immigrants after the end of the Cold War The originality of this book lies in the bringing together of diaspora exile and immigration and its focus on developments both inside and outside Greece *The Many Rooms of this House* Roberto Perin, 2017-05-08 Places of worship are the true building blocks of communities where people of various genders age and class interact with each other on a regular basis These places are also rallying points for immigrants helping them make the transition to a new and often hostile environment *The Many Rooms of this House* is a story about the rise and decline of religion in Toronto over the past 160 years Unlike other studies that concentrate on specific denominations or ecclesiastical politics Roberto Perin's ecumenical approach focuses on the physical places of worship and the local clergy and congregants that gather there Perin's timely and nuanced analysis reveals how the growing wealth of the city stimulated congregations to compete with one another over the size style materials and decoration of their places of worship However the rise of individualism has negatively affected these same congregations leading to multiple church closings communal breakdown and redevelopments Perin's fascinating work is a lens to understanding how this once overwhelmingly Protestant city became a symbol of diversity *Greek in Minoritized Contexts* Matthew John Hadodo, Petros Karatsareas, Elena Ioannidou, 2024-12-05 This volume examines constructions of Greekness and Greek speakerhood in geographical and sociohistorical contexts where Greek speakers are minoritised and Greek is not hegemonic Authors explore the sociolinguistic outcomes that arise from minoritisation distant and more recent history migration and the proliferation of digital technologies for communication in the 21st century Set against the backdrops of Albania Australia Canada Cyprus Sweden Turkey and the UK the volume chapters consider the manifestations conceptualisations and negotiations of linguistic authenticity the construction of identities and the impact of institutions such as Greek language schools as well as families on local sociolinguistic landscapes and dynamics Particular attention is given to the confrontations between competing language forms practices and repertoires resulting from the contact between standardised and non standardised varieties of Greek as well as to communities that are distant from the influence of institutions where Standard Greek or other local Greek norms

prevail The book is of interest to academic specialists and graduate students in sociolinguistics applied linguistics bi
multilingualism diaspora studies linguistic anthropology linguistic ethnography social interaction language contact and
language and culture with a special focus on Greek **The Canadian Encyclopedia: For-Pat** ,1985
