**The Captive Dreamer** Christian de La Mazière, 1974 This is the story of a man who chose the Apocalypse Well into the final bloody year of World War II when Allied victory loomed clearly ahead Christian de La Mazière elected to join the German army in its death fight with the advancing Russian forces In full possession of his senses and with plenty of less extreme options open to him this French journalist sought out treason and almost certain death Yet he survived the inevitable series of harrowing ordeals and in this absorbing book he recounts his experiences ranging from humor to pathos with exceptional skill La Mazière grew up in the 1930s in an atmosphere typical of his military upper middle class background a peculiarly French combination of anti liberalism anti-Semitism and anti communism With a young man's anguish he saw his beloved country veer first to the left with the Popular Front and turn later to the bourgeois pieties of the Vichy regime under its pall of defeat Both experiences reinforced his attraction to the torchlight parades at the Nuremberg Party rallies and the new society these spectacles purported to represent pan European unified aggressive and militant But he joined the Nazis actually the Waffen SS Charlemagne division not in 1940 but in 1944 when the Allies were advancing on Paris knowing he was plunging into warfare at its most brutal In the personal dimension as well as the social background of this decision lies much of the fascination of La Mazière's gripping story He got what he bargained for the blood and iron discipline of the German training camps the confusion and horror of combat in Poland the terror of capture by the Russians The story is adventure at its richest and most varied and La Mazière tells his experiences with all the verve and suspense they deserve His repatriation as a war criminal to France and his trial and imprisonment there add another and special facet to his tale The stages of his reentry into his native land a psychological journey as well as a legal process take the narrative into areas of consciousness from which there have been few authentic reports Yet the book is never an apology nor is it an attempt to justify an unlucky choice Instead *The Captive Dreamer* a best seller in France is an account in which honesty richness and sheer readability combine to illuminate the entire grand tragedy of World War II [LEGO® DREAMZzz: Dream Chasers and the Riddle-Spoken](#)

Violence Jennifer E. Turpin, Lester R. Kurtz, 1997 An excellent representation of the interdisciplinary thrust of peace studies Paul Joseph Tufts University Violence is a topic of concern everywhere in the media in churches in the halls of governments In every land and in every culture violence is considered by most to be taboo a last resort Yet under certain conditions from the level of the family to the level of nations violence is used as a mechanism of social control Various rationalizations thus emerge to distinguish between legitimate and illegitimate violence The Web of Violence explores the interrelationship among personal collective national and global levels of violence This unique collection brings together a number of internationally known contributors to address the genesis and manifestations of violence in the search for a remedy for this confounding social problem As the global community becomes more intimate we must better understand the nature of violence The Web of Violence supports this aim by examining the dangerous human phenomenon from many perspectives at different levels and using multiple methodologies CONTRIBUTORS Robert Jay Lifton Christopher G Ellison John P Bartkowski Yuan Horng Chu Philip Smith Robert Elias Birgit Brock Utne Riane Eisler Johan Galtung
