#### The Caribbean Yearbook Of International Relations 1975:

The Caribbean Yearbook of International Relations 1975 Leslie Manigat, 1976 The Caribbean Yearbook of International Relations West Indies University. Institute of International Relations, 1989-09-01 The International **Crisis in the Caribbean** Anthony Payne, 2022-02-06 This book first published in 1984 presents a comprehensive survey of the forces of change that operate in the Caribbean an area of political instability at the time It examines the internal politics of the different countries and considers the roles of the United States Cuba the European and new Latin American powers in the political conflicts coups and revolutions The Quest for Security in the Caribbean Ivelaw L. Griffith, 2015-06-11 This comprehensive work on security in the English speaking Caribbean offers a wealth of information about the history politics economics and geography of the entire region The author examines security problems in the region as a geopolitical unit not on a selective case study basis as is usually done He assesses Caribbean security within a theoretical framework where four factors are critical perceptions of the political elites capabilities of the states the geopolitics of the area and the ideological orientations of the parties in power Political and economic issues are judged to be as relevant to security as military factors The author identifies safeguards which countries in the region may take in the coming decade The Caribbean In World Affairs Jacqueline Anne Braveboy-wagner, J Braveboy-Wagner, 2019-06-04 This book is intended not so much to supply new information concerning the external activities of the English speaking Caribbean countries as to fill a large gap in the growing literature on the subject by integrating the known information into an analytical framework or model as a first step toward theory building As such the book complements the descriptive works on the Caribbean that are already available or in production The book is also intended to reach the broader audience of those interested in small state foreign policy in general that is those persons to whom the formulation of a model is useful in facilitating comparisons with other countries of similar size Note that the aim is not to build a grand theory of small state or Caribbean foreign policy but rather to modify existing middle range theories of international relations to suit the Caribbean region **Imprisoned** in the Caribbean Ligia T. Domenech, Ph.D., 2014 Winston Churchill recognized in his memoirs The only thing that ever really frightened me during the war was the U boat peril His fears would be realized in the Caribbean By the end of the war the Germans had sunk four hundred merchant ships in the Caribbean while only losing seventeen U boats in what was called Operation Neuland Begun in 1942 the campaign sought to cut the supply lines from the Caribbean to the Allies with the intention of strangling their import based economies Colonies of various empires would be left to fend for themselves Dr Ligia T Domenech explores how the campaign hurt the people of the Caribbean focusing on her native Puerto Rico Learn about the principal targets of the German U boats in the Caribbean the United States reaction to Operation Neuland the shortage of essential goods new industries that developed during the war period and the blockade's long lasting effects To this day the public and even most historians don t know about the blockade s devastating effects and what it meant to be Imprisoned in

the Caribbean Resilience of Regionalism in Latin America and the Caribbean J. Briceño-Ruiz, 2013-03-05 As regionalisation becomes an increasingly hot topic the authors explain why regionalism has been most successful in Latin America and analyse current processes and opinions of possible future developments in the region including the Caribbean Central America Brazil and Mexico Jamaica's Foreign Policy Stephen Vasciannie, Lisa Vasciannie, 2024-06-21 In the years since Independence in 1962 Jamaica's foreign policy has reflected the flux and reflux of international affairs There has been continuity in the midst of change and while the country has sought to deepen its traditional friendships and widen its network of allies it has also experienced occasions of externally determined crisis and major disagreement both within the Caribbean and in the wider world Bearing in mind the profound changes which have taken place in the international sphere since independence this book examines some of the main initiatives and responses which have characterised Jamaican foreign policy over the last sixty years Haiti In Caribbean Context David Nicholls, 1985-03-18 and Conflict Fitzrov Baptiste, 1988-04-15 This carefully researched study is the first to chronicle the history of Allied involvement in the defense of British French and Dutch possessions in the Caribbean The study is extremely well researched and well written The definitive work in this particular area of historical research based on all available sources in English French and Dutch published and unpublished Choice Although few military campaigns were fought in the Caribbean the region had strategic importance throughout World War II for the United States and its allies This carefully researched study is the first to chronicle the history of Allied involvement in the defense of British French and Dutch possessions in the Caribbean The first chapter examines the events and diplomacy that led in 1939 to Britain's granting the United States permission to base military facilities in Bermuda St Lucia and Trinidad and to the creation of the Caribbean Sea Frontier Later chapters detail the troubled course of British American cooperation as U S military commitments and regional dominance increased Also described is the role of the Netherlands with Britain and the United States in the defense of the oil and bauxite reserves in the Dutch Caribbean territories and the friction between Britain and the United States over French Caribbean possessions The final chapters analyze strategic shifts occuring as a result of the war and influencing postwar settlements negotiated for the region **Dependency Under Challenge** Anthony Payne, Paul K. Sutton, 1984 Articles on development theory and the economic policy of dependence in the Commonwealth Caribbean examines political developments in Jamaica democratic socialism Trinidad and Tobago oil capitalism Guyana cooperative socialism and Grenada the New Jewel Revolution discusses regional level economic integration industrial planning and CARICOM studies international relations with USA UK EC and Latin America and the role of the Commonwealth Caribbean in a New International Economic Order Map Corporate versus National Interest in US Trade Policy Richard L. Bernal, 2020-10-31 This book provides a history of the WTO US EU banana dispute through the lens of a major actor the US owned multinational firm Chiquita Brands International It documents and explains how Chiquita succeeded in having the

Clinton administration pursue a trade policy of forcing the European Union to dismantle its preferential banana import regime for exports from the small English speaking Caribbean ESC countries The export of bananas was critically important to the social stability and economic viability of these countries and that was in the national security interest of the United States The experience indicates that succeeding in this goal was detrimental to U S national security interest in the International Organization and Integration P. J. G. Kapteyn, 1983-05-27 The present volume inaugurates a new series The Judges which collects synthesizes the opinions of leading international judges of the contemporary era who have contributed significantly to the progressive development of international law The series is launched with the Judicial Opinions of Shigeru Oda currently Vice President of the International Court of Justice The collection of Opinions covers the period from Judge Oda's first election to the International Court in the Autumn of 1975 on to the year 1992 All of the individual Opinions filed by Judge Oda in this period Separate Opinions Declarations Dissenting Opinions are included they are published in full without editorial cuts An introductory essay examines the diverse educational professional influences contributing to Judge Oda's formation as a jurist from his earliest university years in Japan in the United States through his subsequent professional career in universities government service at international academic scientific diplomatic reunions over the years The study includes a resume analysis of Judge Oda's Judicial Opinions through the cases attempts some identification synthesis of the main elements in his approach to decision making opinion writing as well as the main strands in his judicial philosophy as demonstrated in the actual case law **Annotated Basic Documents and Descriptive Directory of International Organizations and Arrangements** Henry G. Schermers, M. Leeuwen-Boomkamp, Paul J.G. Kapteyn, Pieter H. Kooijmans, R.H. Lauwaars, 2024-12-30 The History of Development Gilbert Rist, 2014-04-10 In this classic text now in its fourth edition Gilbert Rist provides a complete and powerful overview of what the idea of development has meant throughout history He traces it from its origins in the Western view of history through the early stages of the world system the rise of US hegemony and the supposed triumph of third worldism through to new concerns about the environment and globalization In a new chapter on post development models and ecological dimensions written against a background of world crisis and ideological disarray Rist considers possible ways forward and brings the book completely up to date Throughout he argues persuasively that development has been no more than a collective delusion which in reality has resulted only in widening market relations whatever the intentions of its advocates International Law of the Sea and Marine Affairs Nikos Papadakis, Martin Ira Glassner, 1984-04-06 International Law of the Sea and Marine Affairs Cataloged Serial Holdings National Defense University. Library, **Peoples and International Law James** Summers, 2014-04-09 Peoples and International Law is a detailed survey of the law of self determination with a focus on the concept of nations and peoples It engages with different aspects of this law with particular emphasis on the drafting and implementation of international instruments The second edition includes new coverage of the Declaration on the Rights of

Indigenous Peoples and the African and Arab charters It considers recent practice by the Human Rights Committee Committee on Economic Social and Cultural Rights and African Commission on Human and Peoples Rights dealing with the emerging political economic and environmental aspects of the right The book looks at the interaction of international law nationalism and liberalism in theories of nationhood and self determination as well as the historical development of the right and the decisions of international bodies Lastly it examines practice in this area including new developments in remedial independence and international territorial administration Also available in hardback Social and Economic Studies ,1999

**Ocean Boundary Making** Douglas M. Johnston, Phillip Saunders, 2024-05-01 Originally published in 1988 this book was written at a time when many nations were engaged in various forms of ocean boundary making This created new regional pressures and the need for collective regional responses to these issues This book examines the issues at stake and the boundary making processes It discusses these in a general way showing how the Third UN conference on the Law of the Sea helped resolve the problems whilst leaving some issues unresolved The book goes onto examine the issues and boundary making processes in 7 important areas of the world
