Foley, Margaret Mills Harper, 2019-12-02 A collection of scholarly articles and essays by dancers and scholars of ethnochoreology dance studies drama studies cultural studies literature and architecture Dance and Modernism in Irish and German Literature and Culture Connections in Motion explores Irish German connections through dance in choreographic processes and on stage in literary texts dance documentation film and architecture from the 1920s to today The contributors discuss modernism with a specific focus on modern dance and its impact on different art forms and discourses in Irish and German culture Within this framework dance is regarded both as a motif and a specific form of spatial movement which allows for the transgression of medial and disciplinary boundaries as well as gender social or cultural differences Part 1 of the collection focuses on Irish German cultural connections made through dance while part 2 studies the role of dance in Irish and German literature visual art and architecture *An Irish Sanctuary* Gisela Holfter, Horst Dickel, 2016-12-19 The monograph provides the first comprehensive detailed account of German speaking refugees in Ireland 1933 1945 where they came from immigration policy towards them and how their lives turned out in Ireland and afterwards Thanks to unprecedented access to thousands of files of the Irish Department of Justice all still officially closed as well as extensive archive research in Ireland Germany England Austria as well as the US and numerous interviews it is possible for the first time to give an almost complete overview of how many people came how they contributed to Ireland how this fits in with the history of migration to Ireland and what can be learned from it While Exile studies are a well developed research area and have benefited from the work of research centres and archives in Germany Austria Great Britain and the USA Frankfurt M Leipzig Hamburg Berlin Innsbruck Graz Vienna London and SUNY Albany and the Leo Baeck Institutes Ireland was long neglected in this regard Instead of the usual narrative of no one was let in or only a handful came to Ireland the authors identified more than 300 refugees through interviews and intensive research in Irish German and Austrian archives German speaking exiles were the first main group of immigrants that came to the young Irish Free State from 1933 onwards and they had a considerable impact on academic industrial and religious developments in Ireland **The Boys** Christopher Fitz-Simon, 1994-01 The Ireland of the inter war years was an island of remarkable contradictions In spite of the highly

moralistic attitude of Church and State including an official censorship of publications there existed a heady atmosphere of laissez faire Artistic life in Dublin possessed a piquancy never found before or since accentuated during the war years when Ireland's neutrality resulted in intense social activity centred on the international embassies Two inseparable figures of genius dominated the artistic scene in Dublin during this period Hilton Edwards and Micheal MacLiammoir Both were actors of formidable range and power Edwards was also one of the finest theatre directors in the English speaking world MacLiammoir also a brilliant designer and playwright Together they founded the Gate Theatre in Dublin in 1928 where their discoveries included Geraldine Fitzgerald James Mason and Orson Welles who made his professional debut at the Gate aged 16 and who hovered over their lives like a temperamental angel offering MacLiammoir his finest film role as Iago to Welles Othello Dogged by shortage of funds yet maintaining a salon like existence Hilton and Micheal were intent on the gay life in every sense They seized every opportunity for hectic seasons on Broadway and in the West End and bizarre tours throughout Europe and the eastern Mediterranean eventually striking gold with MacLiammoir's world famous one man show The Importance of Being Oscar The outbreak of World War II found the company literally performing before the crowned heads of Europe Adored by the public in spite or because of their eccentric lifestyle they were revered as masters of their craft among professionals They were the first artists to be made Freemen of the City of Dublin The fruit of much original research including interviews with over a hundred playwrights actors and personal friends as well as access to previously unpublished letters and diaries this double biography allows these two flamboyantly talented figures and their bohemian society to live again in all their precarious splendor
