The Boy of Battle Ford and the Man W. S. Blackman, 2012-03-08 A classic story of a young man s journey to adulthood The Boy of Battle Ford covers Blackman s years growing up in early post settlement Illinois where he gave in to temptations such as drinking gambling and the lure of prostitutes before joining the army finding God and becoming a preacher Blackman who notes that he is determined to write facts in this book peppers his story with the sordid details of the sinful

times of his life as well as with discussions of faith and of struggling to understand his God and his beliefs *The Boys of Pepper Beach* Larry Kockler,2018-08-14 This short story was inspired by actual interviews with teenage boys in high school These events happened in their lives and they wanted to tell their stories as long as I didnt mention their names or locations Some of the boys wanted to clear their minds and came back many times to talk Whether the stories are true or not I dont know The stories do provide good reading I created three fictional main characters to tell the story and they do not represent anyone in particular The community of Pepper Beach doesnt exist but the history of Florida is real and very exciting
