She is shocked and appalled but stuffs the magazine into her bag all the same Later she finds out how the system works and decides it could be an easy way to make some much needed extra cash A thirty nine year old man called John begins phoning her Mabel tells him her name is Angela and she and John gradually form a close and loving relationship He too is lonely and bitter after being cruelly deserted by his wife and he soon becomes eager to find out everything about Angela especially what she looks like Mabel then describes a beautiful blonde girl she has seen in the building John becomes more and more desperate to meet Angela but she keeps putting him off Eventually he resolves to find her and punish her for tormenting him After following various clues he finds the high rise complex and begins watching it Finally he spots a beautiful blonde girl who exactly fits the description he has of Angela but she is clinging to a young man Feeling jealous and betrayed John thoughts become murderous and he plans deadly revenge A Deadly Deception is a rivetting read a real page turner that will keep readers on the edge of their seats *A Darkening of the Heart* Margaret Thomson Davis,2005-09-14 In 18th century Scotland Alexander a doctor and poet and his snobbish sister Susanna are desperate to advance their social standing And while Susanna unwittingly gets herself involved in some truly terrifying situations as a result Alexander concentrates on his ambition to be a famous poet And he is surprised and delighted when he meets Robert Burns who is not only a great companion but also a poet like himself They soon become close friends and Alexander loves him like a brother But when the genius of Burns begins to completely overshadow Alexander s own poetry their close friendship changes and there is a darkening of Alexander s heart As well as a fast paced and compelling narrative Margaret Thomson Davis has seamlessly interwoven original songs poems and letters by the bard into the story to produce a gripping tale of love rivalry and ambition

**The Clydesiders** Margaret Thomson Davis,2000-02-02 In the summer of 1914 as the storm clouds of war begin to gather over Europe life in Glasgow goes on as normal for the rich in their elegant mansions and for the poor in the overcrowded tenements of the Gorbals Up at Hilltop House home of the wealthy Cartwright family Virginia Watson is a kitchen maid whose life below stairs is an endless round of hardship and drudgery Back in the Gorbals her family are fighting a losing battle against unemployment hunger and disease while her father and brothers dream of the revolution that John Maclean and the Red Clydesiders promise will be their salvation Everything changes for Virginia after a chance meeting with Nicholas Cartwright a dashing young army officer and heir to the Cartwright fortune Defying all the conventions of the time their illicit romance has hardly begun when war breaks out and Nicholas leaves to face the horrors of the Western Front A powerful tale of love and loss The Clydesiders is a brilliant portrayal of Glasgow during the First World War and the revolutionary turmoil of Red Clydeside The Dark Side of Pleasure Margaret Thomson Davis,1995-10-11 This novel tells of Alfred Cameron and his family who all enjoy a life of luxury But their family firm is in danger from the encroaching railways and Luther Gunnet who will do anything to raise his family up from the slums *The Glasgow Gigs* K. A. Arnside,2022-06-09 If rock n roll royalty comes to your city you have to see them Right You have to meet them Right But when football gets in the way and

The Apollo bouncers throw a spanner in the works your plans may just go slightly pear shaped The Glasgow Gigs veers recklessly across four decades visiting legendary venues like The Glasgow Apollo The Barrowland and The Dinner Hall of Garthamlock Secondary School It soaks up the festival atmospheres of Mayfest and Celtic Connections and criss crosses the city s streets all in search of a bloody good night out Did the starry eyed schoolboy who saw Slade in the 70s really become a refined and sophisticated concert hall goer in the noughties Yeah right Did one night with The Clash in the 80s inspire him into a life of protest and activism Hmmm Did The Humpff Family really go out of their way to avoid him There s only one way to find out The Glasgow Gigs does exactly what it says on the er cover But we mustn t remain slaves to the dreaded Boundary Charge Wouldn t it be nice to stretch out to breathe in the fresh air of the countryside and the not so fresh air of the capital Fancy a trip to The Bonny Banks or the rugged beauty of Perthshire Jump in the engine s running and so is the meter The Collis Valle Saga A J Gillham,2021 Rock salt is a valuable commodity in the bronzed tooled societies of the Collis Valle region of Pangaiea Trade is reasonably good but a Salt Mine is a dangerous place to work and the scheming Sorcerer Treorai with the aid of his cohorts must have more people to increase his dwindling workforce Not many just the odd one here and there amongst some of the main settlements of the Collis Valle Taking these people from anywhere else in the Valle will be too obvious But is this enough for him or does he have another agenda or two up his sleeve The Salt Mine is providing a reasonable turnover for him but what is it he is truly planning Five people who do not know each other since they are from different areas of Collis Valle find that they are to be the newest employees of Treorai How are they going to be able to survive the dangers of working in the Salt Mine Will they survive Can they work together despite their disparate backgrounds or will they attempt to make their own way to survive or even to get out And can they discover if Treorai is up to something more besides selling salt to the surrounding settlements
