SOLITUDE Noel Muscat, OFM, Our aim in this work will be that of discovering the true nature of Francis inner anguish the solitude he was bound to suffer at seeing the brothers taking a different course from the one he cherished At the same time however we shall try to understand what the brothers also were feeling regarding Francis and why they also were convinced that the way forward was bound to be slightly or radically different from the original proposal of the founder Our aim is that of taking into consideration what the sources have to say regarding the last years and moments of Francis life and present them within the context of events unfolding in the Order which were already pointers at future choices and directions that the Order would take in the decades immediately following upon the death of the founder

Eisenman,1998-03-01 A passionate quest for the historical James refigures Christian origins can be enjoyed as a thrilling essay in historical detection The Guardian James was a vegetarian wore only linen clothing bathed daily at dawn in cold water and was a life long Nazirite In this profound and provocative work of scholarly detection eminent biblical scholar Robert Eisenman introduces a startling theory about the identity of James the brother of Jesus who was almost entirely marginalized in the New Testament Drawing

on long overlooked early Church texts and the Dead Sea Scrolls Eisenman reveals in this groundbreaking exploration that James not Peter was the real successor to the movement we now call Christianity In an argument with enormous implications Eisenman identifies Paul as deeply compromised by Roman contacts James is presented as not simply the leader of Christianity of his day but the popular Jewish leader of his time whose death triggered the Uprising against Rome a fact that creative rewriting of early Church documents has obscured Eisenman reveals that characters such as Judas Iscariot and the Apostle James did not exist as such In delineating the deliberate falsifications in New Testament documents Eisenman shows how as James was written out anti Semitism was written in By rescuing James from the oblivion into which he was cast the final conclusion of James the Brother of Jesus is in the words of The Jerusalem Post apocalyptic who and whatever James was so was Jesus Jesus, the Brother of James and Jude, and the Savior of the World Janine Kredell,2013-11 What did Lazarus do after he came out of the tomb What happened to Peter after he denied his best friend and Savior after the rooster crowed twice Did Mary the mother of Jesus ever talk about Jesus as a baby to anyone When did the brothers of Jesus realize he was their Lord and Savior Why was Mary Magdalene at the tomb What happened to the donkeys from the book What Sarah Saw Jesus the Brother of James and Jude the Savior of the World attempts to answer these questions It is my hope you think about the last days of Jesus life on Earth and look in the Bible for answers to all your questions For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future **Africa and the Bible** Gene Rice,2019-11-18 Africa and the Bible is a collection of essays about the African influence on and presence in the Old Testament written over Gene Rice s more than fifty years of scholarly service at Howard University School of Divinity They focus on characters with African heritage such as Ebed melech and Jehudi in Jeremiah and the prophet Zephaniah himself as well as dealing with texts that have been misinterpreted to the detriment of African Americans such as the story of the curse of Canaan in which Ham and all his dark skinned descendants are the ones viewed as cursed One article provides evidence that the original worshippers of YHWH may have been from the land of Kush One of Rice s earliest articles deals with the story of Joseph and relates it to Jim Crow Rice finds in the story a model for racial reconciliation that is still relevant today With a foreword by his colleague of many years Cain Hope Felder Professor of New Testament at Howard University School of Divinity now retired and a preface by Jonathan Rice Gene Rice s son the book is a treasure trove of carefully researched thought provoking articles and a perfect supplement to be used alongside a Hebrew Bible textbook **Bulletin of the New York State Museum** ,1913 Journal of American Folklore ,1911 *THE MAHABHARATHA* Krishna-Dwaipayana Vyasa, Kisari Mohan Ganguli was a translator from South Asia or possibly from British India known for being the first to provide a complete translation of the Sanskrit epic Mahabharata in English His translation was published as The Mahabharata of Krishna Dwaipayana Vyasa Translated into English Prose between 1883 and 1896 by Pratap Chandra Roy 1842 1895 a Calcutta bookseller
