great sacrifices for God and then he chose not to bless your efforts If so the reason may be that you are unfamiliar with the ways of God God s ways are vastly different from ours We will be constantly disappointed if we assume God will act the same way we would The problem with the Church at times is that it tries to do God's work the world's way However with God how you do something is as important as what you do If you intend to be a growing fruitful disciple of Jesus you must learn the ways of God Bestselling author Henry Blackaby along with Roy Edgemon originally wrote a book on this crucial subject Now Henry's son Richard has produced a fresh practical and expansive treatment of these powerful truths How do mere mortals relate to and understand a God who is spirit and infinitely greater wiser and holier than they are How do we related to someone who has existed for eternity and who knows what lies ahead for all eternity to come Blackaby identifies God s ways and examines how they differ from ours He also provides practical guidance so God's ways can become ours Do you want God to bless your efforts and to receive glory from your life Learn to live your life according to the ways of God If you do you may well be swept up into the eternal purposes of almighty God The Shamrock ,1879 American Fraternity Man Nathan Holic, 2013 Charles Washington a college grad brimming with energy and idealism and promise is swept up in the Compassion Boom At the height of the financial meltdown he spurns the prescribed job market to take a job with a not for profit sacrificing salary for the selfless mission of his first post college employer Charles is out to save the world the world of fraternities AMERICAN FRATERNITY MAN is an intimate portrait of a young man struggling to become the right kind of professional while coming to terms with the harsh financial and political realities behind the ambitious mission statements and corporate philosophies Set within a broad panoramic of the national fraternity world AMERICAN FRATERNITY MAN offers a humanizing look at the individuals who live and breathe Greek Life while also giving an unrivaled glimpse at the power potential and absurdity of the National Fraternity Sorority business Through both text and illustrations Nathan Holic offers the very human story of one young man's longing for morality and purpose in a world he simply has not been prepared to understand The culture of Greek life is both skewered and embraced in this take no prisoners coming of age novel from debut author Nathan Holic Here you ll meet one character who has reached the conclusion that goodness is just and that evil is easy to spot But for Charles Washington the dynamic hero of this compelling story right and wrong are slippery things In the end it s a pleasure to tumble into Charles world even as we watch that world pulled out from under him AMERICAN FRATERNITY MAN is at once satire and seriousness itself But more than anything it is a compulsively readable book a thrilling ride beginning to end David James Poissant Nathan Holic writes with the precision and confidence of a true badass Hide your valuables and DIG IN Lindsey Hunter English Prose (1137-1890) John Matthews Manly, 1909
