**Confessing Christ in a Post-Holocaust World** Henry F. Knight, 2006-05-01 Proposes a new model of Christian faithfulness in a post Holocaust world [The Right Hand of God](#) Ara C. Trembly MS MA LPC, 2023-08-04 Have we lost our sense of awe and humility before the all powerful creative and holy God of the universe We inhabit a post modern age where scientific rationalism has replaced reverence and self centered spirituality has overtaken biblical faith as society's prevailing belief system Within the church we have become overly comfortable and casual with a domesticated familiar view of God that is far removed from the burning bushes and whirlwinds through which biblical figures experienced the living God Inspired by a brief remark during a sermon Trembly sets out to recover aspects of God including his physical presence and power that are central to biblical narratives of human encounters with God yet often overlooked in our modern readings As a practicing psychotherapist he brings a keen understanding of character and the human mind to his consideration of Moses Jacob and others who were transformed by their direct experiences with God The God who emerges from Trembly's exploration is a God of unlimited power creativity and righteousness who refuses to be confined by the limits of human imagination and who speaks an unambiguous message inviting us to share in the transforming work of his mighty right hand in the world

TORAH PORTION SUMMARIES With Insights from the Perspective of a Jewish Yogi Steven J. Gold, *Face to Face: The  
 Unveiling of Jesus Christ* Micah Paul Gaylor, 2024-03-31 The book of Revelation is more than a prophecy of future events It is  
 an invitation a blessing and a catalyst meant to equip creation for a Face to Face encounter with the King of Kings that will  
 utterly transform the very fabric of reality Book 1 of the Unveiling of Jesus Christ series is all about preparation No not that  
 end of the world as we know it doomsday kind of preparation I mean the kind you make when you are about to go on an epic  
 quest Our quest is to understand and experience the true power of the book of Revelation not as an oracle for survival but as  
 illumination for transformation Without this mindset many previous eschatological expeditions have produced overconfident  
 predictions while leaving their travelers empty handed unchanged and jaded A better path is available In this prelude to our  
 journey through Revelation we ll build a map for navigating end times prophecy as God intended With a fresh sometimes out  
 of the box perspective we ll unpack familiar Bible verses in unexpected ways that reveal God s beautifully consistent tapestry  
 of truth From Genesis to Revelation we ll learn how God s plan connects the Old and New Testaments with a precision that  
 will strengthen and deepen your faith Join me as we leverage the depth and breadth of Scripture to uncover a divine  
 endgame that defies imagination The goal is to adjust our focus enlarge our perspective and awaken an insatiable hunger for  
 the Unveiling of Jesus Christ Come prepared to be equipped for active participation in the consummating stages of God s  
 eternal plan for His universe Bible Object-lessons: Addresses to the Young. [With Illustrations.] Rev. James Wells, 1891

Meszler, Dr. Shulamit Reinharz, Liz Suneby, Diane Heiman, 2013-10-17 Who am I How do I feel about myself Do I seem cool Do I fit in At a bar mitzvah people talk about becoming a man in the Jewish religion but what is that supposed to mean For sure it means you are no longer a child but you are also not yet an adult Fortunately there s no one official definition of manhood just as there is no one official way of being Jewish That s where this book comes in from the Preface Courage friends stress sex God identity these are some of the things that concern teen guys This book addresses those concerns without preaching judgment or criticism to help you figure out what becoming a Jewish man means to you It presents surprising facts interesting stories ideas and actions taken by Jewish men today and all the way back to biblical times to show how they answered the same kinds of questions you re asking yourself It challenges stereotypes and myths and offers different opinions not only from old guys but from dozens of teenage Jewish guys just like you Like the Talmud The JGuy s Guide offers many perspectives and reflection questions to help you find your own truths     **A Tangible Theory on God** Len Drayton, 2016-07-23 Unfortunately this story is not for everyone because it describes God Historical and recent events are examined and many theories are presented to help those who realize that mankind cannot live on bread alone It explains the extent of God in our lives and examples are given on what he is capable of In some theories the meaning will fly over the readers head momentarily but the connection will be made once the dots connect This story gives an unorthodox explanation of mankind's vision compared to God's vision
