Zucker,2014 The famous legend of the Iron Door Mine a forgotten mission and a lost city somewhere in the Santa Catalina Mountains north of Tucson Arizona has lured prospectors and treasure hunters for hundreds of years The discoveries of early Spanish placer mining sites stone ruins and stories of the mountains only fueled speculation about the riches still left behind Common knowledge among the locals eventually gained legendary status Even more surprising was the abundance in gold silver and copper etched into the mountains These stories became embedded in Arizona s early history and were spun into some sensational legends and featured in numerous literary and film adventures *Treasures of the Santa Catalina Mountains* explores the legends and history of the Catalinas compiled from out of print books magazines newspapers and recollections

from local prospectors More than 430 pages and over 1 200 references Finding Rest Jonathon M. Seidl,2021-09-28 Jon knows better than most what it means to battle anxiety and how to forge a path to victory He also treats it with care and pushes the conversation to places that it hasn't often gone in the church Kirk Cameron In the aftermath of the pandemic even those who have never struggled with mental health have found themselves reeling looking for answers they don't know how to find For Christians especially those who've despaired of help from a church that has too often stigmatized mental health challenges as a lack of faith the way forward can be particularly difficult to see Jonathon Seidl aims to fix that Having fought his own way through crippling anxiety life altering OCD and suicidal thoughts he knows the value of concrete advice grounded in strong biblical truth Instead of the trite or unsympathetic counsel that's often given Finding Rest is practical personal and productive Full of compelling stories humor from a guide who's still on his journey and scriptural truths this book offers real hope and help It also provides a lifeline for friends and family who long for ways to help relieve the suffering of their loved ones And it lays out thoughtful needed paths for the body of Christ to become a refuge of hope for the anxious
