Religion and the Racist Right Michael Barkun, 2014-02-01 According to Michael Barkun many white supremacist groups of the radical right are deeply committed to the distinctive but little recognized religious position known as Christian Identity In *Religion and the Racist Right* 1994 Barkun provided the first sustained exploration of the ideological and organizational development of the Christian Identity movement In a new chapter written for the revised edition he traces the role of Christian Identity figures in the dramatic events of the first half of the 1990s from the Oklahoma City bombing and the rise of the militia movement to the Freeman standoff in Montana He also explores the government's evolving response to these challenges to the legitimacy of the state Michael Barkun is professor of political science in the Maxwell School of Citizenship and Public Affairs at Syracuse University He is author of several books including *Crucible of the Millennium* *The Burned over District of New York in the 1840s* *America's Secret Jihad* Stuart Wexler, 2015-07-19 The conventional narrative concerning religious terrorism inside the United States says that the first salvo occurred in 1993 with the first attack on the World Trade Center in New York City This narrative has motivated more than a decade of wars and re prioritized America's domestic security and law enforcement agenda But the conventional narrative is wrong A different group of jihadists exists within US borders This group has a long but hidden history is outside the purview of public officials and has an agenda as apocalyptic as anything Al Qaeda has to offer Radical sects of Christianity have inspired some of the most grotesque acts of violence in American history the 1963 Birmingham Church

bombing that killed four young girls the Mississippi Burning murders of three civil rights workers in 1964 the assassination of Martin Luther King Jr in 1968 the Atlanta Child Murders in the late 1970s and the Oklahoma City Bombing in 1995 America's Secret Jihad uses these crimes to tell a story that has not been told before Expanding upon the author's ground breaking work on the Martin Luther King Jr murder and through the use of extensive documentation never before released interviews and a re interpretation of major events America's Secret Jihad paints a picture of Christian extremism and domestic terrorism as it has never before been portrayed The Armageddon Conspiracy Mike Hockney,2009-09-29 King Solomon is one of the Bible's most famous figures responsible for building the Holy Temple that housed the Ark of the Covenant Yet Solomon died as an apostate How could a man fabled for his wisdom reach the conclusion that God was false The Armageddon Conspiracy reveals the answer to this greatest Biblical mystery The Temple of Solomon was not the house of God at all but a special chamber designed to contain a unique weapon for which Solomon had the most astounding purpose in mind Solomon a man obsessed with witchcraft and magic believed he had found the key to the supreme mystery of life but he died before he could complete his mission The world's oldest secret society of which Solomon was the Grand Master still exists and now its members are about to perform the final cataclysmic ceremony Solomon had planned for so long

The 2012 Nomination and the Future of the Republican Party William J. Miller Jr., 2013-08-28 The 2012 Republican nomination process went on longer than most pundits predicted early on While Mitt Romney began the season as the prohibitive favorite he was tested repeatedly by what was seemingly the Republican flavor of the week including Michele Bachmann Herman Cain Rick Perry Newt Gingrich and Rick Santorum The sheer number of candidates who were viewed as legitimate contenders demonstrate the fundamental concern facing Republicans moving forward a fractured party The pro business Tea Party and evangelical Christian wings disagreed in 2010 on who would provide the best alternative to Democratic President Barack Obama and as a result created a crippling nomination period By the time Romney was able to claim victory he was severely wounded after countless attacks from his fellow Republicans To this internal discontent we can also add the changing national demographics that could lead to electoral problems for Republicans in their own right Consider that Mitt Romney did better with older white male voters than John McCain had Unfortunately the share of the national vote for this demographic decreased from 2008 to 2012 As Rand Paul stated recently the time has come for Republicans to reach out to individuals who do not fit the stereotyped Republican image if they have any hope of being successful In this volume we assess how the 2012 GOP nomination cycle is indicative of just how the Republican Party has become in the words of pundit Cuck Warren a Mad Men Party in a Modern Family World [Able Cain's Lynching](#) A.A.
