**The Sunlit Summit** Robin Lloyd-Jones, 2013-08-15 William Hutchison Murray 1913-1996 was one of Scotland's most distinguished climbers in the years before and after the Second World War As a prisoner of war in Italy he wrote his first classic book *Mountaineering in Scotland* on rough toilet paper which was confiscated and destroyed by the Gestapo The rewritten version was published in 1947 and followed by the now equally famous *Undiscovered Scotland* In 1951 he was depute leader to Eric Shipton on the Everest Reconnaissance Expedition which discovered the eventual successful route which would be climbed by Hilary and Tensing From the 1960s onwards he was heavily involved in conservation campaigns and his book *Highland Landscape* commissioned by the National Trust for Scotland identified areas of outstanding beauty that should be protected It proved to be extremely influential In 1966 he was awarded an OBE as he pursued a life of service as is well illustrated by the various posts he held Commissioner for the Countryside Commission for Scotland 1968-1980 President of the Scottish Mountaineering Club 1962-1964 and of the Ramblers Association Scotland 1966-82 Chairman of Scottish Countryside Activities Council 1967-82 Vice President of the Alpine Club 1971-72 President of Mountaineering Council of Scotland 1972-75 He was a prolific author but a proper understanding of his life and work requires that we appreciate that his driving force was a quest to achieve inner purification that would lead him to oneness with Truth and Beauty For many years the climber author and teacher Robin Lloyd Jones above has been researching the life and work of Bill Murray and working steadily on this biography It is not only a triumph of fine writing and interest but a worthy accolade for this great man

attempted before on another it celebrates the uniqueness of the Highlands the scenery and ecology of the last wilderness in Europe The challenge Mike Cawthorne set himself was to climb all 135 of Scotland s 1 000 metre peaks which stretch in an unbroken chain through the heart of the Highlands from Sutherland to the Eastern Cairngorms down to Loch Lomond and west to Glencoe His route traversed the most spectacular landscape in Scotland linking every portion of wilderness and was completed in the midst of the harshest winter conditions imaginable Acclaimed on its first publication in 2000 this edition contains an epilogue in which Mike Cawthorne reflects on his trek and wonders what has changed since he carried it out He warns that wild land in Scotland has never been under greater threat Hell of a Journey is a reminder of what we could so easily lose forever     **Whitaker's Book List** ,1989
