The Caliphate Muir,1891      The Caliphate William Muir,2003      **The Caliphate Question** Sean Oliver-Dee,2009-08-13 The Caliphate Question combines the disciplines of theology history and international relations in order to approach the complex and sensitive issue of how Western governments\_in this case the British\_have historically engaged with foreign policy issues that have centered around questions of theology or faith The British government s approach to policy making in the field of Islamic governance from the First World War through to the early Cold War is the case study for this book both because of the extensive documentation that exists on the period and because of its relevance to the current geo political world While the book is not a critique of current British foreign policy it does seek to furnish policy makers and commentators with a framework within which such increasingly necessary policy making can be created

*Putting the Caliph in His Place* Eric J. Hanne,2007 Modern scholars have often viewed the Abbasid caliphs of the eleventh and twelfth centuries as pale imitations of their eighth and ninth century ancestors Following the rise of the Buyid amirate in the tenth century scholars have turned their attention away from the Abbasids viewing them as inconsequential puppets controlled by stronger powers and focused their studies on the development of the Buyid and Saljuq dynasties After the Buyid deposition of the Abbasid caliph al Mustakfi in the mid tenth century the Caliphate is said to have been relegated to puppet status vainly clinging to its past glory until its destruction at the hands of the Mongols in 1258 away their ability to administer and defend the central Islamic lands All that was left to them was the prestige of their institution however vaguely defined For this reason there has been little if any modern research on the Abbasid caliphs of this period
