Sargent, 1970 [The Campaign, Vol. 1 of 3](#) Herbert H. Sargent, 2015-07-11 Excerpt from The Campaign Vol 1 of 3 Santiago De Cuba The recent Spanish American War while possessing as every war does characteristics of its own nevertheless in its broad analogies falls into line with its predecessors evidencing that unity of teaching which pervades the art from its beginning unto this day It has moreover the special value of illustrating the reciprocal needs and offices of the army and navy than which no lesson is more valuable to a nation situated as ours is Mahan After a war one ought to write not only the history of what has taken place but also the history of what was intended Von der Goltz Fools say that you can only gain experience at your own expense but I have always contrived to gain my experience at the expense of others Bismarck War is a business of positions Napoleon About the Publisher Forgotten
