Jamaica - Montego Bay, Port Antonio and Ocho Rios John Bigley, 2009-08-10 We were enjoying a Jamaican meal at Verney's Tropical Resort a small inn perched in the hills over Montego Bay This was a true Jamaican feast not a watered down tourist version served with real Jamaican hospitality It's that opportunity to meet local residents taste island dishes and retreat from the typical resort experience that brings travelers to the small inns many in Montego Bay While this bayside city is home to some of the Caribbean's most lavish resorts places where you can lose yourself in all inclusive luxury and around the clock activities you'll also find plenty of opportunities to meet local people and learn more about the local culture in this thriving city Montego Bay is more than just a tourist hub however it's also a real city with a long standing history Columbus visited in May 1494 and named Montego Bay El Golfo de Buen Tiempo or Bay of Good Weather In 1510 the Spanish started to settle here Using the bay as a shipping point for hogs they began to call this site Bahia de Mantega a name derived from the Spanish word for lard which was one of the top products In 1655 the British occupied Jamaica and the parish of St James was founded soon after Montego Bay became the capital of the parish and for many years was a tax free haven Surrounded by sugarcane plantations the area became the home of many wealthy English planters If you know just one Jamaica destination it is probably Montego Bay often just Mo Bay Located on the north coast this is the capital of the tourism industry and the second largest community outside of Kingston For most travelers this is the starting point thanks to the Donald Sangster International Airport as well as the island's busiest cruise pier Ocho Rios is the garden center of Jamaica and its lushest area is Dunn's River Falls This spectacular waterfall the top attraction is a series of falls that cascade from the mountains to the sea Here you don't just view the falls but actually climb up them Led by a sure footed Jamaican guide who wears everyone's cameras slung around his neck groups work their way up the falls hand in hand like a human daisy chain West of Ocho Rios in the town of Oracabessa 007 fans can visit the James Bond Beach Located near Ian Fleming's former home Goldeneye the beach has plenty of options for a day of activity Wave Runners helicopter tours and horseback rides as well as a beach bar and grill The town of Ocho Rios often known by the nickname Ochi sits on the north coast The main road called the North Coast Highway or A3 along this stretch slices through the city following the coastline Dunn's River Falls is on the western side of town This entire stretch of road is lined with stony bluffs Between the hills and

the sea there is just enough room for a road and a strip of beach As you approach the city from the western end driving from Montego Bay you ll first see the cruise ship terminal From here you ll be moving into the town itself The North Coast Highway becomes DaCosta Drive off that and parallel runs Main Street where many of the shops and the crafts market are located The main road continues east through town toward the large resorts most of which lie east of the city This travel guide walks with the adventurous traveler to the heart of Jamaica to the miles of sand beaches to the rugged Blue Mountains to the country villages that provide a peek at the real Jamaica The authors focus on the adventures this popular Caribbean island has to offer scuba diving along coral reefs biking mountain trails deep sea fishing parasailing windsurfing horseback riding and other adventures that range from mild to wild Special sections include a look at Jamaica s Meet the People program home visits local nightspots festivals and more Maps and photos enliven the down to earth text The Caribbean Frank Bellamy,1987 Jamaica Kenneth E. Ingram,1997 Jamaica is one of a chain of islands the West Indian archipelago which encircles the Caribbean Sea Its earliest indigenous people the Tainos succumbed to the arrival of western Europeans inaugurated by the encounter with Columbus in 1494 Spanish rule gave way in 1655 to some 300 years of English colonial rule involving nearly two centuries of plantation slavery The country finally gained independence in 1962 Jamaica has made some notable contributions in the international arena Perhaps best known are its contributions in the world of sport popular music reggae and in its development of distinctive forms of dance theatre and folk music This wide ranging volume is a fully revised and updated edition of the work which was first published in 1984 Surveying the American Tropics Maria Cristina Fumagalli,Peter Hulme,Owen Robinson,Lesley Wylie,2013-07-01 A collection of essays from distinguished international scholars that explore the idea of a literary geography of the American Tropics **A Birder's West Indies** Roland H. Wauer,2010-07-22 The West Indies offer so much more than sun sand and shopping This sweeping arc of islands which runs from Cuba to Grenada and includes the Virgin Islands teems with a rich diversity of plant and animal life Up to 40 percent of the plants in some forests are found nowhere else on earth while the West Indian flyway is a critical link in the migratory routes of many birds In A Birder s West Indies Roland Wauer takes you on an island by island journey of discovery He describes the unique natural features of each island and recounts his often fascinating experiences in seeking out the nearly 400 species of birds known in the West Indies His accounts give insight into the birds habitats status and ecology and record some of the threats posed by human activities For readers planning trips to the West Indies Wauer also includes helpful up to date facts about the best times to travel the kinds of entry and customs systems to expect the money exchange services available and general information about weather food and accommodations Filling a unique niche among current guides A Birder s West Indies offers both professional ornithologists and avocational bird watchers a chance to compare notes and experiences with an expert observer And for readers who haven t yet visited the islands Wauer s fluid prose and lovely color photographs will be the next best thing to being there and an irresistible invitation to go New Serial Titles ,1998 A union

Guide to Dominica, 1493-1986 Robert A. Myers,1987 **Micronations and the Search for Sovereignty** Harry
Hobbs,George Williams,2022-01-06 Political disagreement is a fact of life It can prompt people to stand for public office and
agitate for political change Others take a different route they start their own nation Micronations and the Search for
Sovereignty is the first comprehensive examination of the phenomenon of people purporting to secede and create their own
country It analyses why micronations are not states for the purposes of international law considers the factors that motivate
individuals to separate and found their own nation examines the legal justifications that they offer and explores the responses
of recognised sovereign states In doing so this book develops a rich body of material through which to reflect on conventional
understandings of statehood sovereignty and legitimate authority Authored in a lively and accessible style Micronations and
the Search for Sovereignty will be valuable reading for scholars and general audiences *Kingston, Negril and Jamaica's*
South Coast John Bigley,2009-08-10 Following is an excerpt from this guide that specializes in some of the most popular
areas of Jamaica Also included in the guide is complete detail on where to stay where to eat what to see and what to do to
make your trip unforgettable We landed at Kingston s Norman Manley International Airport long after dark The city was
celebrating Friday night in its traditional manner the Friday Night Jam filled the streets with people glad the work week was
over We were in Kingston But not for long Our ride was taking us out of the city and up the Blue Mountains to Strawberry
Hill For the next hour we wound our way through the city streets that we d return to in later days finally making our way out
of the humidity and crowds and into the hills The air grew cooler as we climbed moving slowly back and forth on the
switchback road Finally we were there A pale glow lit the main building and restaurant around the property we could see the
small cottages outlined in dim light But the real sight was from the restaurant itself From here we could see the lights of
Kingston in the distance far below us The city was still partying down there but here all was quiet as most visitors went to
bed early ready to rise the next morning to a foggy sunrise and a forest draped in quiet mist We d be bird watching the next
day It was time for our Friday Night Jam to end not to reggae or dancehall music but to the sound of night frogs and insects
in the nearby forest The capital city of Kingston lies on the south shore This metropolitan area of over 800 000 residents is
visited primarily by business travelers Within this sprawling metropolis however beats the true heart of Jamaica Travelers
interested in the culture and history that define this island nation should make time for a visit to Kingston the largest English
speaking city Kingston is big brash and boisterous Life spills out from storefronts and homes onto the streets filling the
sidewalks and every inch of available space Goats roam the downtown area sidewalk vendors peddle all type of merchandise
from carts and tables pedestrians are everywhere Kingston dates back to 1692 The city is built along the harbor stretching

from the Blue Mountains in the east to the boundaries of Spanish Town in the west Kingston is not for everyone It does not offer a relaxing fun in the sun vacation Head to the North Coast resort communities for that type of getaway Instead if you ve had a few dates with Jamaica and you re ready to visit her parents then it s time to head to Kingston Things aren t always pretty here but its a necessary part of the experience No sheet no eat is the motto of the weekly toga party at this resort known for its adults only atmosphere Hedonism II attracts fun loving couples and singles over age 18 who come to this westernmost point of Jamaica for a vacation of sun sand and something more Guests leave their inhibitions behind seeking pleasure in the form of festivities like Toga Night buffets to tempt the most devoted calorie counters bars open until 5 am and nonstop adult fun The real wildness in Negril lies just outside the city limits Here in an area known as the Great Morass you can see a side of the country that most visitors never glimpse Crocodiles not vacationers lie in the steamy afternoon sunshine Peddlers sell not marijuana but shrimp caught using techniques over 400 years old And spectacular birds not parasailers fill the air with dashes of color and a cacophony of exotic sounds Today Negril has gained respectability and is home to all types of resorts that attract everyone from swingers to families Law mandates that no building here can be taller than a palm tree so low rises follow the coast from Bloody Bay named for the days when the whalers cleaned their catch here to the cliffs at its southern end where the Negril Lighthouse still signals the rocks to ships **Sport Diver** ,2002-06
