

CLOWN VIOLATOR

Clown is the 'human' form of the demon the Violator, cursed to appear as such for disobeying "the grand puppet master, Malebolgia, [who] creates Hellspawns to serve as commanders of his army for the inevitable final battle." Only the truly psychotic would dare to disregard Malebolgia's instructions. That would be Clown, played with demonic delight by John Leguizamo.

"Clown wants to usurp the power of Hell, basically. He wants to be The Man. He feels dissed when Malebolgia, the big devil, appoints Spawn instead," Leguizamo says. "So, even though he's assigned to sort of tutor Spawn, he wants to get him out of the way so he can lead the Army of Darkness. Obviously, the big boss thinks that he's too goofy. That's why he makes him Clown."

The film-makers turned to Leguizamo because they knew he could successfully balance Clown's demonic mean streak with his absurd sense of humour.

"He was just brilliant, because Clown is evil incarnate," Mark Dippé claims. "But what we wanted, and this is directly from the comic book, was a certain comedic element. Clown is sort of a screw-up from hell and a mean one. You don't want him mad at you, but he's also perversely funny. John brought

just that right mixture of humour and evil to the character."

Leguizamo was vaguely familiar with the *Spawn* comic book, but it was the lure of the *Spawn* toys that attracted him to the film version:

"I was in the middle of producing *The Pest* and these two guys come on the set with all these pictures and say, 'It would be wonderful to have you aboard.' I'm like, 'Yeah, whatever, OK, let me see.' Then they gave me a toy and I am easily sold on toys. So I started thinking about it and asking all my friends. Some of them were like, 'Yo man, *Spawn*, it's serious, that's the number one comic book.'"

Intrigued, Leguizamo began reading the book, to discover that his character was not exactly a superhero, but "... a five-foot tall, fat, 300 pound clown. I

Spawn The Making Of The Movie Introduction

In today's digital age, the availability of Spawn The Making Of The Movie books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spawn The Making Of The Movie books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spawn The Making Of The Movie books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Spawn The Making Of The Movie versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spawn The Making Of The Movie books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spawn The Making Of The Movie books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spawn The Making Of The Movie books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spawn The Making Of The Movie books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Spawn The Making Of The Movie books and manuals for download and embark on your journey of knowledge?
