**Predestined** LaToya, 2021-06-09 This book is the revelation of the creation of God in me It s the truth of who I am This book is about the things I saw as important before knowing my God given destiny Predestined One illustrates the power to remove opposing forces against the believer There is power in learning whereas there is no power in thinking there is nothing one has not been taught We are all unique and individually made up by God the creator And this book exemplifies the spiritual overcoming power of who God created me to be We all have our individual gifts that God has placed in us as he wills and with prayer along with a search within yourself your gift will be revealed to you And with that revelation you can begin to act in your gift as a part of the making up of the body of Christ as a whole as we all play a part Allow Predestined One Right Is Not Wrong and Wrong Is Not Right to put you on the path to your destiny in Christ as well as make right decisions according to truth It will change your walk in life and it will place you on the path of victorious living Roman s 8 29 AMP 29 For those whom He foreknew and loved and chose beforehand He also predestined to be conformed to the image of His Son and ultimately share in His complete sanctification so that He would be the firstborn the most beloved and honored among many believers

The Heart Could Never Speak George Pattison, 2013-06-25 The book offers an interpretation of a posthumously published poem by Edwin Muir 1887 1959 beginning The heart could never speak But that the Word was spoken The poem is read as summing up Muir's lifelong struggle with fundamental questions about the meaning of existence questions often developed in dialogue with such figures as Nietzsche Hölderlin and Kafka These references allow us to bring Muir into conversation with modern existentialist philosophy and theology and Muir's poetic thought is seen as both illuminating and as illuminated by such existentialist thinkers as Heidegger Bultmann Kierkegaard and Berdyaev Themes such as death time love the nature of language and the alienation brought about by technological mass society and the threat of nuclear catastrophe are central to the poem's subject matter and are dealt with by Muir in such a way as to make possible a Christian version of existentialist thought The perennial nature of such questions in modern society makes the poem as relevant to contemporary issues in religious thought today as when it was written For all its simplicity it is the argument of the book that it makes an abiding contribution to human self understanding
