

People would rather die than speak

According to Psychology Today, more people would rather face the Grim Reaper himself than be placed in a situation that involves public speaking.

In fact, according to information provided by the American online resource Statistic Brain, the fear of public speaking ranked number one in the top 10 list of things most Americans fear. A whopping 74 percent of Americans said they were more afraid of speaking in public than dying, which was ranked number two on the list at 68 percent.

Speaking For Today's World:

Living the Twelve Traditions in Today's World Mel B., Michael Fitzpatrick, 2012-06-08 Living the Twelve Traditions In Today's World

Speaking of Freedom George H.W. Bush, 2009-01-13 Through the lens of more than forty speeches from his presidency George H W Bush takes a special look back on the momentous global events of 1989 1992 the fall of the Berlin Wall the collapse of the Soviet Union and the liberation of Kuwait to name a few and reminisces about what it was like to be president through such unprecedented times Choosing from among the hundreds of speeches he gave while in office former president Bush selects those that meant the most to him and introduces each one with candid comments recalling the circumstances and events leading up to it Although now in hindsight it seems that the end results were almost preordained at the time no one knew what would happen next Nothing was inevitable at all We learned quickly that words mattered he writes in the opening pages of Speaking of Freedom Selections throughout the book bring back the fascinating times of Lech Walesa Mikhail Gorbachev V clav Havel and even Saddam Hussein when we watched as the idea of freedom seemed to spread all over the world It was a stunning time in world history and in these speeches the forty first president observes it from his perspective as commander in chief diplomat politician navy pilot and grandfather While many of the speeches deal with foreign affairs others cover freedom s spread within the United States including the signing of the landmark Americans with Disabilities Act and the historic Clean Air Act of 1990 President Bush s voice comes across perhaps most clearly when he is calling young people to lead a life of meaning and adventure that results only from serving others Showcasing President Bush s usual charm self deprecating wit and sharp perception these speeches mark the moments large and small that defined his presidency Through his words that motivated people all around the world to become involved in ideas that were bigger than themselves George H W Bush shows us what it means to be speaking of freedom
