## Speaking In Other Tongues:

**They Speak with Other Tongues** John Sherrill, 2018-09-19 More than fifty years ago a reporter for Guideposts magazine set out to gather information about a strange new occurrence happening all over the country John Sherrill a skeptic when it came to speaking in tongues and the baptism with the Holy Spirit was determined to retain his objectivity while digging out the facts What he found would change his life With more than 2.5 million copies sold this classic work is the story of one man's journey from skepticism to a life changing relationship with God Filled with historical and biblical accounts of speaking in tongues this is also the deeply personal and moving story of how you too can walk in the power of the Spirit day by day Now includes a new epilogue and update on how to lean on the Holy Spirit for unity in an increasingly divisive world

Speaking With Other Tongues Benson Munchini, 2015-05-11 This booklet reveals to the reader the power behind speaking in tongues It is high time that the Church of Jesus Christ re-discovered the secret of speaking in tongues The subject has a lot of benefits for every child of God and that is why the enemy has somehow hidden the truth behind it But no more it is time we discovered why Christ told the church that one of the signs of knowing believers is their tongue speaking ability

Speaking With Other Tongues Bernard Grant, 2006 *Hidden Power of Speaking in Tongues* Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherrill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues* The book was an immediate success as thousands were touched by the power of this spiritual gift *The Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift

*The Gift of Speaking in Tongues* Claire Robin, 2020-07-25 What do you know about speaking in tongues A lot has been said about speaking in tongues one of the most misunderstood and rarely used gifts in all Christianity A huge percentage of Christians don't understand WHY they should speak in tongues The rest don't think they have it in them to speak in tongues Some Christians don't even believe in the gift of speaking in tongues They are still stuck with the question is speaking in tongues really for me The answer is a simple one speaking in tongues is for every Christian filled with the Holy Spirit Many Christians have received the gift of speaking in tongues which has helped stimulate their faith get their prayers answered multiply God's love and power in their lives and helped them receive healing and victory in their endeavors For others receiving the Holy Spirit's gift isn't the most exciting thing for them in today's world but it is one of the most important gifts you can receive as a Christian today You may be okay with the occasional prayers you say in the morning at night and in between your daily schedules But when you really need to activate and pray from your spirit and not from your understanding you realize that you can't And what's a poor Christian like you to do Here's what you shouldn't do You shouldn't stop trying to receive the gift that's why I

have written this book to help you with one thing receive the gift of speaking in tongues This book explores various topics on how you can receive this gift including How to Pray in Tongues at Will You will learn What the Bible says about speaking in tongues Being Saved and Being Filled with The Holy Spirit Quality Prayer Points to Bring Up to Start Speaking in Tongues The Basic Requirement for Speaking in Tongues The Significance of the Manifestation of the Holy Spirit How to Obtain the Holy Spirit and the Power to Speak in Tongues How to Get Ready for the Baptism of the Holy Spirit Speaking in Tongues and Staying with The Grace How to Pray in Tongues at Will If some or even all of the above are hindering you from claiming the gift the Holy Spirit is willing to give you today then you should immerse yourself in the Heavenly nuggets you will find scattered in this book to help you unlock and have access to your gift *Speaking in Tongues* Timothy Laurito, 2021-10-26

Mac Ward Symes, 2013-03-07

Should All Speak with Tongues is a resource for anyone truly interested in whether or not speaking in tongues is a valid current manifestation of the Holy Spirit that should be experienced by all Christian believers It shows scripturally how one is given the gift of the Holy Spirit when born again which Jesus described as being born of the Spirit John 3 78 therefore one has the potential for the operation of all the gifts of the Spirit immediately upon being saved and should walk and live in the Spirit thereafter Galatians 5 23 Speaking in tongues is one of the nine gifts of the Spirit that are given to every believer Now to each one the manifestation of the Spirit is given for the common good 1CO 12 7 NIV *Speaking in Tongues and Dancing Diaspora* Mae G. Henderson, 2014-05-07

The oral tradition has always played an important role in African American literature ranging from works such as Zora Neale Hurston s *Their Eyes Were Watching God* to Toni Morrison s *Beloved* These and countless other novels affirm the power of sonance and sound in the African American literary canon Considering the wide swath of work in this powerful lineage in addition to its shared heritage with performance Mae G Henderson deploys her trope of speaking in tongues to theorize the preeminence of voice and narration in black women s literary performance through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women s writing dialogically and intertextually The first half of the book is devoted to influential works of fiction as Henderson offers a series of spirited

attentive readings of works by Zora Neale Hurston Alice Walker Sherley Anne Williams Toni Morrison Gayl Jones and Nella Larsen The second half shifts gears to consider the world of female African American performance most notably in the figures of Josephine Baker and the video dancer Drawing on the trope of dancing diaspora Henderson proposes a model of theorizing based on performing testimony and critical witnessing Throughout the book Henderson draws on a history of black women not only in the Pentecostal Holiness Church but also within the traditions of classical Christian African and black diasporic spirituality and performance Ultimately Speaking in Tongues and Dancing Diaspora provides a deeply felt reflection on race and gender and their effects within the discourses of speaker listener and audience performer

*Speaking in Tongues: A Critical Historical Examination* Philip E. Blosser, Charles A. Sullivan, 2022-09-16 In three carefully researched volumes this ground breaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times has no precedent in church life prior to the nineteenth century They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s why Pentecostals between 1906 8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism why Protestant cessationists believed miraculous tongues had ceased and why interpolated idioms like unknown tongues in

Protestant Bibles were aimed originally at Rome's use of Latin
