The Homilies On John St. Augustine of Hippo, 2012 This is the extended and annotated edition including an extensive biographical annotation about the

author and his life ST AUGUSTINE was an indefatigable preacher He considered regular preaching an indispensable part of the duty of a bishop To his homilies we owe most of his exegetical labors The homilies were delivered extempore taken down by scribes and slightly revised by Augustin They retain their colloquial form devotional tone frequent repetitions and want of literary finish He would rather be deficient in rhetoric than not be understood by the people He was cheered by the eager attention and acclamations of his hearers but never fully satisfied with his performance My preaching he says almost always displeases me I eagerly long for something better of which I often have an inward enjoyment in my thoughts before I can put them into audible words Then when I find that my power of expression is not equal to my inner apprehension I am grieved at the inability of my tongue to answer to my heart De Catech Rudibus ch II 3 in this Series Vol III 284 His chief merit as an interpreter is his profound theological insight which makes his exegetical works permanently useful This volume contains The Homilies or Tractates on the GOSPEL OF JOHN In Joannis Evangelium Tractatus CXXIV Augustin delivered them to his flock at Hippo about A D 416 or later *Foundations of Faith* Alton H. Howard,1993-04 From the origin of the Bible to the patriarchs of the Old Testament through the basic Christian doctrines this study of the Christian faith will bolster the faith of longtime believers and provide answers and understanding for new Christians THE POWER AND AUTHORITY OF THE BELIEVER GODSWORD GODSWILL ONU, CHRISTIAN THEOLOGY R. A. Torrey,Edward D.
