

## Overview of B2 First for Schools Speaking Paper

<b>Aims of the lesson</b>	<ul style="list-style-type: none"> <li>This activity aims to familiarise students with the Speaking paper (Paper 4) and give them practice at formulating correct questions in English.</li> </ul>
<b>Time needed</b>	50 minutes
<b>Materials required</b>	<ul style="list-style-type: none"> <li>Student's worksheet 1 (enough copies for half the class)</li> <li>Student's worksheet 2 (enough copies for half the class)</li> <li>Copies of the pictures for Parts 2 and 3 from the B2 First for Schools handbook (optional) See the worksheets attached to the lesson plans for the relevant parts</li> </ul>

### Procedure

1. Tell the students they are going to learn about Paper 4 of the B2 First for Schools exam, the Speaking test. Ask them what they think makes someone a good English speaker (*e.g. not making lots of mistakes, good pronunciation, being able to communicate...*) Feedback will be a good time to introduce the notion of managing and organising what they say, younger students tend to overlook this aspect of spoken production. This will be dealt with later as Discourse Management when the marking criteria are discussed in step 7.

*Timing: 5 mins*

2. Put the students into groups. Give half the groups **Student worksheet 1** and the other groups **Student worksheet 2**.
3. Tell the students that they will have to ask questions to find out the missing information on their worksheets. Ask them to work in pairs to decide what questions they should ask to get the information they need. They can write these on the **Questions sheets**, there is an example at the top. Monitor the pairs of students to help them formulate appropriate questions (see **Answerkey**).

*Timing: 15 mins*

4. Now put the students into new pairs, so that one student in each pair has **Student worksheet 1** and the other **Student worksheet 2**. Ask them not to show one another their information, and to ask and answer questions in order to complete their worksheets.

*Timing: 10 mins*

5. Once they have asked and answered all their questions, let the students look at each other's' handouts so they each have all the information.

*Timing: 3 mins*
