Stephenson, Roger Slee, 2014-11-26 This is a book about the struggle of many New Zealand families to have their children with learning disabilities included in local community schools It reviews the influences in the post war period that shaped the state response to the right of all children to attend school Reflections from both education policy makers and parents of that time are included The book also examines the more recent impact of neoliberal politics on education policy and the consequences experienced by families with school aged children with disabilities who may well become collateral damage in the enterprise of improving schools After examining the families experience the book asks how inclusion can be fostered in schools and classrooms Practitioners and academics present research findings that indicate alternative ways of thinking and acting that attest to more ethical and humane responses to human difference Citizens school personnel politicians and policy makers should be challenged by the tales from school arising from attempts to achieve a world class inclusive education system Cover photograph by Rod Wills Oratia District School *Resources in Education*, 1984 *Research in Education*

, 1974 *Occupational Outlook Quarterly*, 1993 **OOQ, Occupational Outlook Quarterly**, 1993 **The LCP Solution** B. Jacqueline Stordy, Ph.D., Malcolm J. Nicholl, 2001-02-20 This important new book documents a major breakthrough in the treatment of the three most widespread learning disabilities ADHD dyslexia and dyspraxia clumsy child syndrome Although

these conditions have reached epidemic proportions treatment has been limited to ineffective behavioral therapies or the controversial prescription drug Ritalin Now Dr B Jacqueline Stordy a leading researcher in the field reveals a stunning new treatment based on a simple nutritional supplement LCP long chain polyunsaturated fatty acids The LCP Solution is the first book to describe this new natural treatment and to explain how children and adults can incorporate it into their daily lives As a member of a family with a long history of dyslexia Dr Stordy discovered in a pioneering experiment that dyslexic and dyspraxic children who began taking a dietary supplement consisting of LCP experienced dramatic transformations in the quality of their lives At the same time parallel studies conducted at Purdue University came up with similar results with children who had ADHD The effect of this dietary supplement was nothing short of revolutionary after only a few weeks dyslexic and ADHD children became calmer more focused easier to teach while dyspraxics improved significantly in dexterity and balance showing markedly less anxiety In The LCP Solution Dr Stordy documents how this life changing treatment came about and explains step by step how sufferers of each of the three major conditions can use it to change their lives at home at school and at work Illuminating vividly presented and authoritative in its findings this book will revolutionize our approach to learning disabilities LCPs are natural simple to use and amazing in their benefits If you or someone you love suffers from a learning disability this book is essential reading
