Special Constable A Study Of The Police:

A Special Constable M. L. Gill, R. I. Mawby, 1990 **The Special Constabulary** Karen Bullock, Andrew Millie, 2017-07-06

Special constables are warranted officers retained within British constabularies Wearing similar uniforms carrying the same personal protective equipment and holding identical powers to enforce the criminal law special constables are to all intents and purposes indistinguishable from their colleagues in the regular police service However very little is documented about the experiences and motivations of special constables the roles they play in contemporary policing or the impact that they have on the police organisation This book draws together academics and practitioners to provide a valuable insight into historical international and contemporary themes pertinent to the historical development and contemporary operation of the special constabulary The book critically considers the origins of the special constabulary and the political social and economic factors which led to its evolution over time It compares and contrasts the organisation functions and status of the special constabulary with other auxiliary forces notably from the United States The book also contributes to theoretical understanding of contemporary policing to debates about the roles and operation of the mixed economy of provision and informs policy and practice in the United Kingdom and beyond *Emotional Labour in Criminal Justice and Criminology* Jake Phillips, Jaime Waters, Chalen Westaby, Andrew Fowler, 2020-06-04 This book is the first volume to explore criminal justice work and criminological research through the lens of emotional labour A concept first coined 30 years ago emotional labour seeks to explore the ways in which people manage their emotions in order to achieve the aims of their organisations and the subsequent impact of this is on workers and service users The chapters in this edited collection explore work in a wide range of criminal justice institutions as well as the penal voluntary sector In addition to literature review chapters which consolidate what we already know this book includes case study chapters which extend our knowledge of how emotional labour is performed in specific contexts and in relation to certain types of work *Emotional Labour in Criminal Justice and Criminology* covers topics such as prisoners who die from natural causes in prison to the work of independent domestic violence advisors and the use of emotion by death penalty lawyers in the US An accessible and compelling read this book presents ground breaking qualitative and quantitative research which will be critical to criminologists criminal justice practitioners students of criminology and academics in the fields of social policy and public service **Dictionary of Policing** Tim Newburn, Peter Neyroud, 2013-06-17 Contemporary policing is developing rapidly and is becoming increasingly professionalized For practitioners National Occupational Standards Skills for Justice and the the new PDLP Police Development and Learning Programme have brought a new emphasis on skills standards and knowledge Training for police officers and civilian staff working in policing is being significantly upgraded At the same time it has become more rigorous with universities and other higher educational institutions playing an increasingly important part in police training as well as expanding the range of policing courses for undergraduate and postgraduate students Key features approximately 300
