Cassidy, 2016-09-28 The relationship between eternity and time is a common subject for theologians and philosophers What difference does it make for this discussion that God became man and inhabited time in Jesus Christ In *God's Time for Us* James J Cassidy examines the theology of Karl Barth to show that God is our Father who does not neglect us for lack of time he is the God who has time to be with us God also quite literally has time in his own being by virtue of the incarnation Cassidy shows that Barth seeks a rapprochement between eternity and time which is overcome by Jesus Christ There is today a resurgence in interest in the theology of Barth especially among evangelicals Yet Barth is often read without discernment and discussed in churches without full understanding Cassidy illuminates his thought so evangelicals can make a better more well informed appraisal of the man and his theology *Tea Time with God* Debi Ayers, 2019-01-09 How often do you take time to stop what you are doing and notice what God is doing in that moment God s presence may be found in anything such as in the stillness of the night in the sound of water trickling in a brook in the flutter of a butterfly s wings or in the shared hug of a loved one In all of these things God is there with love peace and joy for us His children *Tea Time With God* is about taking a moment to recognize God s hand at work in the unique experiences of our lives If your situation is causing you to wonder where God is then this book will help you define who He is and allow you to seek Him whether you are Hurting Grieving Hopeless Depressed Anxious Lonely God s presence can offer us so much it can heal a broken heart vanish worry and concern and remove the burdens that weigh us down Author Debi Ayers encourages you to take this time and stay in His presence because there is no better place to be Be encouraged to look for God in the center of your lives knowing He may be in the smallest detail of your day **God's "flavors" for Today's Youth , The Seven Components of the Will of God** Olusola A. What God Said Neale Donald Walsch, 2013-10-01

God's number one message to the world: You've got me all wrong. Inspired by his nine-book Conversations with God series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in a more succinct way. This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch in What God Said encourages readers to cast aside religious and cultural trappings. To experience life as fallible and human beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his Conversations with God, but also applying them in the most practical ways. And so Walsch has included solid suggestions on
