understand the modern presidents by examining how and how closely they worked with the men and women who wrote their memorable speeches and helped them find the words to define themselves      *Writing JFK* Thomas W. Benson, 2004

Following the dramatic Bay of Pigs fiasco in 1961 President John F Kennedy moved to repair the damage the invasion had done to his image and to his relations with the press Thomas W Benson examines two speeches and a press conference held by JFK in the days after the crisis shedding light on how the structures of speech writing influence the texts of the speeches and policy formation as well as the ways the press mediates and even helps to formulate presidential rhetoric *Writing JFK Speechwriting and the Press in the Bay of Pigs Crisis* provides the full text of both speeches and the press conference as well as Benson's analysis of what would come to be known as spin control He demonstrates how the speeches display the implicit collaboration of Kennedy with his speech writers and the press to create a depiction of Kennedy as a political and moral agent A central feature of the book is Benson's exploration of the enormous power of the presidency to compel press restraint and to command the powers of publicity In this brief but intensive examination Benson holds a magnifying glass of rhetorical inquiry to the processes of contemporary government These speeches have never before been studied in such depth and Benson has drawn on many sources to arrive at unique historical and critical understanding of them The resulting insight into the relationship among the press politics and public policy will appeal to all those interested in politics and rhetoric the power of the American president and the legacy of JFK
