## **The Familiar Stranger:**

*The Familiar Stranger* Tyler Staton, 2025-01-28 Christians today are hungry for authentic spiritual experiences yet all too often they don't have the knowledge of or relationship with the Holy Spirit that is the key to a fully alive spirituality. In *The Familiar Stranger* pastor and author Tyler Staton draws on Scripture tradition and spiritual practices to help you step into a genuine relationship with the Holy Spirit. For a generation searching desperately for an experiential spirituality, there's good news: the Holy Spirit's indwelling presence to empower and transform is freely available. Unfortunately, confusion and unfamiliarity surround the Person of the Holy Spirit, leading too many Christians either to sideline him or misunderstand what he means for their spiritual lives. In *The Familiar Stranger*, Staton reintroduces this oft-neglected Person of the Trinity, tracing the story of the Holy Spirit as it unfolds throughout the Bible and inviting believers to close the gap between what Scripture reveals about the Holy Spirit and their lived experience. Along the way, readers will dig into key biblical images and metaphors that reveal the Holy Spirit's nature, roles, and personality. Learn about common misperceptions that keep believers and churches from experiencing the fullness of the Holy Spirit's power and presence. Discover how the Spirit brings discernment and access to miraculous power to partner with God in the work he's doing in the world. Reckon with the indispensable role of spiritual experience for walking with God. Understand how both Word and Spirit too often separated in some church traditions work together to draw people into a vibrant, intimate knowledge of God. *The Familiar Stranger* will challenge, inform, and encourage believers from every background to become more deeply acquainted with the Person and work of the Holy Spirit and experience his transformative life-giving power in their lives. *The Familiar Stranger* Christina Berry, 2009-08-25

Craig Littleton's decision to end his marriage would shock his wife Denise if she only knew what he was up to. When an accident lands Craig in the ICU with fuzzy memories of his own life and plans, Denise rushes to his side ready to care for him. They embark on a quest to help Craig remember who he is, and in the process they discover dark secrets: an affair, an emptied bank account, a hidden identity, an illegitimate child. But what will she do when she realizes he's not the man she thought he was? Is this trauma a blessing in disguise, a chance for a fresh start? Or will his secrets destroy the life they built together. *The Familiar Stranger* Fanny Emily Farr Penny, 1936 **The Familiar Stranger Bible Study Guide**

**Plus Streaming Video** Tyler Staton, 2026-01-20 Richard Rohr once wrote, "We must move from a belief-based spirituality to a practiced-based spirituality or little will change in religion, politics, or the world." Today there is a generation of Christ followers who are desperately seeking such a practice-based or experiential spirituality. For these believers, there is good news: the Holy Spirit's indwelling presence to empower and transform is freely available in their lives. Unfortunately, there is much confusion and unfamiliarity around the person of the Holy Spirit in our modern times, which has led to too many Christians either sidelining him or misunderstanding what he means for their spiritual walk with God.
